Santa Rosa County School Board

On Thursday, March 7, 2013, over 200 of Santa Rosa's seniors will have the opportunity to participate in the third annual "Career Academy University." This is a combined event between Escambia and Santa Rosa County School Districts providing graduating seniors from Career Academy programs with a full day of soft skills training. The event time is 8 a.m. until 2 p.m., features a general session with a keynote speaker and specialized breakout sessions taught by well-known business and industry representatives from our region.

The only facility in our area large enough to accommodate this type of student activity is First Baptist Church of Pensacola. We are requesting permission to continue to utilize this venue and provide this incredible opportunity to our students.

Your support of Workforce Education programs, teachers and students is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Charlin Knight". The signature is fluid and cursive, with the first name "Charlin" and the last name "Knight" clearly distinguishable.
