RE: Reallocation of 2009 Certificates of Participation

The first phase of construction on Jay High has been completed and the 2009 COPS issue used to fund the project has funds remaining. With your approval, these funds can be used for Phase II of the construction. Phase II would include the demolition of the old building 1, construction of a new kitchen and cafeteria, new band room, and a new choral room. Your approval of the remaining 2009 COPS funds from Phase I to cover the cost of Phase II is very much appreciated.

Resolution documents will be forth coming.
