Mr. Tim Wyrosdick
Superintendent, Santa Rosa County Schools
5086 Canal Street
Milton, FL 32570

Dear Mr. Wyrosdick:

This is to inform you that the Department has decided not to procure a contract for the services provided at the Santa Rosa Youth Academy in Holt and therefore, the contract for services at this location will end on June 30, 2013.

Please be assured that the Department is doing everything we can to conduct a seamless transfer for all the youth currently at the program. We understand that this change will affect the location of your current educational personnel and we are sensitive to this concern.

I appreciate all the hard work the Santa Rosa School District has provided to the youth at the Santa Rosa Youth Academy in the past. Your dedication and commitment to quality education has been and continues to be the focus for your district and we have greatly appreciated your partnership.

Thank you in advance for your understanding and collaboration with us during this transition time.

Sincerely,

Mary Mills, Director
North Residential Services
