*We have rented the Co. Auditorium for the last 2 years and it was not big enough. We inquired to Mr. West about using the M.H.S. Auditorium and it is unavailable. Our cafeteria is too small. Parents missed the ceremony last year & had to stand up because of limited space & parking. This has grown into a large event for our school.*

Provide your rationale for why school district facilities are not acceptable (seating, acoustics, etc) Use the back of this sheet if more space is needed:

Chumuckla Elementary does not have adequate seating or parking for this event. Our graduation has been held at the Chumuckla Farmers' Opry for four of the past five years. The Farmers' Opry is now owned by the Living Truth Church, and they have agreed to allow us to continue to use this facility should the School Board approve our request.
