RE: *Student Progression Plan, 2013-2014*

The process of revision of the *Student Progression Plan* has begun as we prepare for 2013-2014. We begin the process early in order to allow time for advertisement for a public hearing and to then request School Board approval in July so that the document can be completed for the beginning of school. It is requested that the School Board approve the advertisement for a public hearing to be conducted at the School Board meeting on July 23, 2013 at 6:30 PM.

I have provided you with a copy of the advertisement for Public Hearing, a copy of the timeline for the work on the revisions, and I have also provided you with a first draft and a "Summary of Proposed Changes" thus far for the 2013-2014 Student Progression Plan. The underlined (underlined) sections are the additions and the strikethroughs (~~strikethroughs~~) are the deletions with regard to the changes. As you review the first draft, if you have concerns for possible needed revisions, please call Conni Carnley by June 18, 2013 so that consideration may be given to the suggested changes prior to preparation of the final draft.

Your support is always appreciated in both the preparation of this document and in the enforcement of the policies within.
