Mr. Joey Harrell, Assistant Superintendent  
Administrative Services  
Santa Rosa School District  
6544 Firehouse Road  
Milton, FL 32570

Dear Mr. Harrell:

RE: Request for temporary use of Munson Elementary

On behalf of Sharon Sansom, K9 Commander for Escambia Search and Rescue (ESAR), and the rest of our K9 unit, I am requesting the use of the Munson Elementary facilities to hold a training session for our unit. As we encountered during our May 2012 training experience, the Munson facilities provide an excellent training opportunity for our K9s and their handlers to practice building and urban searches and modified disaster training. Currently in our unit we have close to 20 K9s and 10 handlers with a mixture of nationally certified K9s/handlers and those that are up-and-coming. It is important to both the dogs and the handlers to constantly be mixing up the training environments and situations; experienced and newbies alike. The Munson facilities provide just that opportunity.

Sharon and I are requesting to have access to the facilities on Friday, June 14, 2013 in order to set up several search scenarios and then to conduct our training with the rest of the unit on Saturday, June 15, 2013. This year we would like the opportunity to provide our handlers and K9s night building searches and would train Saturday evening.

Attached to this email is a copy of our State of Florida Consumer's Certificate of Exemption showing our 501(c)(3) status as well as a copy showing our liability insurance coverage. Please let me know if you need additional documentation. Also, please direct communications through me as Sharon works as a nurse and is hard to get in touch with throughout the day. My contact information is listed above.

I'd be happy to answer any additional questions that you or the Santa Rosa County School Board might have with regards to our intentions.

Thank you for your consideration and I look forward to hearing from you.

Sincerely,

*JJ Bachant-Brown*
