RE: Modern Woodmen of America

We received a request from G. W. "Bill" Vinzant, Regional Director for Modern Woodmen of America, to become a vendor of voluntary insurance products for our school district. Products they would offer to our employees include:

- 403(b)
- 403(b) Roth
- 457
- Term Life Insurance
- Whole Life Insurance

Modern Woodmen was founded in 1883 and is a member owned fraternal financial services organization. Modern Woodmen is the nation's third largest fraternal benefit society serving more than 773,000 members nationwide. A.M. Best rates Modern Woodmen an A+ (Superior) company.

The District Insurance Committee would like to recommend adding Modern Woodmen of America to the school district's list of voluntary product vendors.

Sincerely,

Karen L. Retherford
