**LAB FEES  
2014 - 2015**

Due to the increasing expense of consumable materials, lab fees will be assessed this year. The schedule below is an itemized statement of the course, fee, and the purpose of the fee. In order to keep our bookkeeping records accurate, we request that fees be paid separately to the individual subject area teachers.

|                                                                                   |                       |                                                                                                                                                                                                                                                                                                                                                                             |
|-----------------------------------------------------------------------------------|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ART: 6 <sup>th</sup> , 7 <sup>th</sup> & 8 <sup>th</sup>                          | \$ 10.00 per semester | Fees help cover the cost of supplies and activities. Consumables like various paper, paints, pastels, pencils, erasers, ink, glazes, clay, fabric and glue are included. Occasionally, non-consumable items like scissors, brushes, carving and printing tools are replaced using art fees as well. Students may keep completed projects at the conclusion of their course. |
| BAND: School Instrument                                                           | \$120.00 use fee      | To maintain and repair instruments. At the end of the year, instruments are chemically dipped and sanitized. Small dents are removed and all valves and slides are oiled and lubed. Throughout the year, pads and springs are replaced as needed.                                                                                                                           |
| CAREER RESEARCH AND<br>DECISION MAKING SKILLS Gr. 8                               | \$ 7.00               | To cover the cost of Interactive Computer software, cartridges for the printers, minor expense of consumable items such as mouse pads, mouse replacements, batteries and equipment cords as needed                                                                                                                                                                          |
| COMPUTER CLASSES 6 <sup>th</sup> , 7 <sup>th</sup> & 8 <sup>th</sup>              | \$ 7.00               |                                                                                                                                                                                                                                                                                                                                                                             |
| FAMILY AND CONSUMER SCIENCE<br>(Home Economics) Gr. 8                             | \$ 10.00              | Fees help with the cost of the cooking labs and various supplies used during the sewing project.                                                                                                                                                                                                                                                                            |
| SCIENCE LAB<br>Grades 6 <sup>th</sup> , 7 <sup>th</sup> , & 8 <sup>th</sup>       | \$ 10.00              | To cover the cost of consumable items such as chemicals for physical science labs, frogs, and worms for life science labs, and relatively fragile lab equipment.                                                                                                                                                                                                            |
| HEALTH Gr. 7                                                                      | \$ 10.00              | CPR and AED booklets and supplies                                                                                                                                                                                                                                                                                                                                           |
| GIFTED ENRICHMENT<br>Grades 6 <sup>th</sup> , 7 <sup>th</sup> , & 8 <sup>th</sup> | \$ 10.00 per semester | To cover the cost of supplies and various activities                                                                                                                                                                                                                                                                                                                        |
