Open Letter to the Parents and Students of the Santa Rosa School District:

Welcome to the 2014-2015 school term! We all take great pride in the accomplishments of our students in Santa Rosa County and realize that it takes the joint efforts of the students, the parents, the District's teachers, administrators and support staff, and the support of our communities to bring about the positive outcomes that we enjoy. The School Board and I are grateful for your support of our efforts to provide a safe school environment and for the understanding that discipline is an essential element in a productive educational environment.

The *Code of Student Conduct* is prepared and distributed to set forth the rules and guidelines that students are expected to follow. In complying with the law, there are some infractions that require the school officials to notify law enforcement and there are times that infractions become a violation of the law as well as a violation of the *Code of Student Conduct*. This may result in an arrest and charges being filed by law enforcement. All of these policies have been enacted to ensure your child is safe and has every opportunity to benefit from instruction. The school administrators and teachers will be reviewing this *Code of Student Conduct* along with the school's student handbook to bring attention to the rules, guidelines and consequences that have been established. I encourage you as parents and guardians to read the document and to set forth your expectations for your children to follow the rules and make good choices when faced with those pressures from peers and the temptations that come along each year. **I also encourage you to discuss with your child, the seriousness of the possession/use/distribution of any drugs, weapon possession, the medication policy, and the commitment of a sexual offense. These are some of the areas that carry severe consequences.** Again, please keep in mind that the primary objective of the *Code of Student Conduct* is to ensure that all our schools are safe and secure places for the students, enabling us to provide the best opportunity for our students to learn and excel.

Our schools take pride in providing the highest quality education possible, this is our highest calling. We take this responsibility seriously and your partnership is a vital part of our success. We ask for your partnership in establishing parameters for your child consistent with a demand for learning. Just as we take our responsibility as educators seriously, we ask your consider seriously your responsibility to send your child to school ready to learn.

Florida Statue 1003.31(4) contains a school child's daily Conduct Pledge. You will find this pledge on the following page. While our students are not required to recite this pledge, we do expect them to follow it each day as the way to conduct themselves as students in the schools of the Santa Rosa County School District. With your support we will continue to have Santa Rosa School District and its students bringing honor and pride to us all.

Sincerely,

*Timothy S. Wyrosdick*

## JURISDICTION

Santa Rosa County Public School students are subject to the rules and regulations of the Santa Rosa County District School Board during the school day and regular school activities; while being transported on school buses or at the public expense to and from school or other educational facilities; during the time they are otherwise en route to and from school or are presumed by law to be attending school including while at school bus stops; at such time and places, including, but not necessarily limited to, school-sponsored events, field trips, athletic functions, and other activities where appropriate school personnel have jurisdiction over students. In addition to the foregoing, jurisdictional control over the student may be extended to the immediate vicinity of the school whenever the conduct of the students is deemed to have a detrimental effect on the health, safety and welfare of other students and/or of the school. **Home schooled students are also subject to the rules and regulations of the Santa Rosa County School Board when receiving services from, or participating in a class or extra curricular activity with the Santa Rosa County School District.**

## **PHILOSOPHY**

The primary objective of the Santa Rosa County Public School System is to develop each student's potential for learning and to foster positive interpersonal relationships. Therefore, it is necessary that the school environment be free of disruptions which interfere with teaching and learning activities. The student's conduct determines to a great extent the full development of his/her potential for learning and the development of positive relationships.

The purpose of this document is to assist students, parents, teachers and school administrators in the maintenance of an environment which will enhance the achievement of this objective. To be fully effective, the *Code of Student Conduct* addresses not only the role of the parents, the students, and the school but also specifies areas relative to School Board policies; responsibilities and rights of students; grounds for disciplinary action; and procedures to be followed for acts requiring disciplinary action.

Each school is permitted and encouraged to develop rules, procedures and expectations for student conduct. While these may not conflict with direction provided in the district-wide *Code of Student Conduct*, broad latitude in dealing with local school problems shall be afforded each school so that student discipline may be responsive to particular problems in each individual school.

## **ROLES OF THE HOME, STUDENT, SCHOOL AND SCHOOL PERSONNEL**

In order for effective instruction to occur, there must be a cooperative relationship between student, parent and educator. This relationship may be described as follows:

### **Parents or guardians who:**

- Keep in regular communication with the school concerning their child's progress and conduct.
- Let the school know if something has happened at home that could affect how the student performs in school.
- Ensure that the child is in daily attendance and on time for school and promptly report the reason for an absence or tardy.
- Provide the child with the resources needed to complete class work.
- Assist the child in being healthy, neat and clean and dressed appropriately for school since it is a place to work and learn.
- Discuss work assignments, progress reports and report cards with their child.
- Each year provide the school with their current telephone number, home address, work telephone number and emergency contact information. Also, notify the school in case any of the information changes during the year.
- Expect the child to conform to the rules of the *Code of Student Conduct* and those set forth in the school's student handbook.
- Do not leave the child at school more than 30 minutes before the start of the school day or after the end of the school day as supervision will not be provided beyond that time. This also includes school activities outside of the regular school day such as clubs, practices, games, after school detention and tutoring.
- Encourage the child to take care of the textbooks and teaching materials assigned for his/her use and to not purposely damage any School Board property. The parent should be prepared to pay for any damage done to School Board property by their child.
- Is aware that when parents are divorced or separated, both parents have full rights to participate in the child's school activities and know what is happening at school unless there is a court document limiting that access. If such a document exists, then a certified copy must be provided to the school Principal. The non-residential parent will not be allowed to remove the child from school without the permission of the residential parent, unless there is a certified copy of a court order saying that the non-residential parent can remove the child from school. Permission by the residential parent may be in the form of a letter on file or notation on the child's Health Card. A non-residential parent has access to student records and information unless a court order prohibits such access.

### **Students who:**

- Attend all classes daily and are punctual in attendance.
- Are prepared to come to class with appropriate working materials.
- Are respectful of all individuals and property.
- Refrain from profane or inflammatory statements and conduct themselves in a safe and reasonable manner.

- Are neat, clean and drug free.
- Are responsible for their own work.
- Abide by the rules and regulations of the school system, the school, and each classroom teacher.
- Seek changes in an orderly and recognized manner.

**Schools that:**

- Promote a safe, drug free school environment.
- Provide a rigorous and challenging academic program and encourage the use of good guidance procedures.
- Maintain an atmosphere conducive to good behavior and exhibit an attitude of respect for students.
- Plan a flexible curriculum to meet the needs of all students.
- Develop and maintain appropriate extracurricular activities.
- Promote effective training or discipline based upon fair and impartial treatment of all students.
- Develop a good working relationship among staff and with students.
- Encourage the school staff, parents/guardians and student to use the services of the school and of community agencies.
- Encourage parents to keep in regular communication with the school and participation in affairs of the school.
- Endeavor to involve the entire community in order to improve the quality of life therein.

**School personnel who:**

- Are in regular attendance and on time and are prepared to perform their duties with appropriate materials.
- Are respectful to all individuals and property.
- Are aware of and have respect for the diverse cultures within the community.
- Refrain from profane or inflammatory statements.
- Conduct themselves in a responsible manner and promote the health, safety, and welfare of students.
- Are clean and neat.
- Seek to provide models of conduct for students.
- Seek changes in an orderly and recognized manner.
- Seek to establish and maintain an orderly school environment.

**PUBLIC NOTICE TO PARENTS, GUARDIANS AND ELIGIBLE STUDENTS' RIGHTS  
UNDER THE FAMILY EDUCATIONAL RIGHT AND PRIVACY ACT (FERPA) AND  
PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA) RIGHTS WITH RESPECT TO STUDENT RECORDS**

The Family Education Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. The rights under the Family Educational Right and Privacy Act and the Protection of Pupil Rights Amendment transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

These rights are:

- 1) *The right to inspect and review the student's education records* within 45 days of the day the school receives a request for access.
- 2) Parents or eligible students should submit to the school Principal a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 3) *The right to request the amendment of the student's education records* that the parent or eligible student believes is inaccurate.

Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write the school Principal, clearly identify the part of the record they want changed and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 4) *The right to consent to disclosures of personally identifiable information* contained in the student's records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the school discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll. Educational records include the transfer of disciplinary records, with respect to a suspension or expulsion for any student who seeks, intends, or is instructed to enroll, on a full or part-time basis.

- 5) *The right to file a complaint with the U.S. Department of Education* concerning alleged failures by Santa Rosa District Schools to comply with the requirements of FERPA and PPRA. The following is the name, address, and phone number of the office that administers both FERPA and PPRA:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5920  
(202) 260-3887

### PARENT NOTICE FOR DIRECTORY INFORMATION

FERPA requires that the District, with certain exceptions, obtain the parent or eligible student's written consent prior to the disclosure of personally identifiable information from the student's educational records. However, Santa Rosa District Schools may disclose appropriately designated directory information without written consent unless the District has been advised to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from the student's educational records in certain school publications. Examples include:

- a playbill showing student's role in a drama production
- the yearbook
- honor roll or recognition lists
- graduation programs
- sports activity sheets, such as for football, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can be disclosed to outside organizations without a parent's prior written consent. Outside organizations include but are not limited to companies that manufacture class rings or publish yearbooks. In addition, two federal laws (the *No Child Left Behind Act of 2001*, the *National Defense Authorization Act for Fiscal Year 2002*), **require local educational agencies receiving assistance under the *Elementary and Secondary Education Act of 1963* to provide military recruiters, on request, with three directory information categories—names, addresses, and telephone listings—unless parents have advised the school that they do not want their student's information disclosed without their prior written consent.**

You must notify your school in writing on the approved form (available in guidance offices) by the first week of September or within ten (10) school days after the student enrolls if you do not want the school to disclose directory information from your child's education records without your prior written consent. Santa Rosa District Schools has designated the following information as directory information:

- student's name
- address
- telephone, if listed
- date and place of birth

- major field of study
- dates of attendance
- participation in officially recognized activities and sports
- weight and height of members of athletic teams
- degrees, honors, and awards received
- the most recent educational agency or institution attended
- grade level

### **RIGHTS REGARDING DISTRICT CONDUCT OF SURVEYS, COLLECTION AND USE OF INFORMATION FOR MARKETING PURPOSES AND CERTAIN PHYSICAL EXAMS**

The Protection of Pupil Rights Amendment (PPRA) affords parents and students who are 18 years of age or eligible students certain rights, and certain physical exams. These include the right to:

- *Consent* before students are required to submit to a survey that concerns one (1) or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)
  - 1) political affiliations or beliefs of the student or student's parent;
  - 2) mental or psychological problems of the student or student's family;
  - 3) behavior or attitudes regarding sex;
  - 4) illegal, anti-social, self-incriminating, or demeaning behavior;
  - 5) critical appraisals of others with whom respondents have close family relationships;
  - 6) legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  - 7) religious practices, affiliations, or beliefs of the student or parents; or

  - 3) activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- *Inspect*, upon request and before administration or use
  - 1) protected information surveys of students;
  - 2) instructional material used as part of the educational curriculum (instructional material includes materials that is provided to a student, regardless of format, including printed or representational materials, audio-visual materials, and materials in electronic or digital formats such as materials accessible through the Internet. The term does not include academic tests or academic assessments.); and
  - 3) instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes.

The requirements concerning activities involving the collection and disclosure of personal information from students for marketing purposes do not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students or educational institutions, such as the following:

- college or other postsecondary education recruitment, or military recruitment
- book clubs, magazines, and programs providing access to low-cost literary products
- curriculum and instructional materials used by elementary and secondary schools
- tests and assessments used by elementary and secondary schools to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about students

- the sale by students of products or services to raise funds for school-related or education-related activities
- student recognition programs

Santa Rosa District Schools has developed policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The District will notify parents and eligible students of these policies at least annually at the beginning of the school year and will notify after any substantive changes. The District will also directly notify, such as through U.S. mail or email, parents of students who are scheduled to participate in the specific or approximate dates of the activities or surveys listed below and provide an opportunity for the parent to opt a student out of participation of the specific activity or survey. This District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and are provided an opportunity to opt their student out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- collection, disclosure, or use of personal information for marketing, sales, or otherwise providing that information to others for that purpose
- administration of any protected information survey not funded in whole or in part by ED
- any non-emergency, invasive physical examination or screening that is: 1) required as a condition of attendance; 2) administered by the school and scheduled by the school in advance; and 3) not necessary to protect the immediate health and safety of the student, or of other students. This law does not apply to any physical examination or screening that is permitted without parental notification.

Parents/eligible students who believe their rights have been violated may file a complaint with the Family Policy Compliance Office (FPCO). Informal inquiries may be sent to FPCO via the following email addresses: **FERPA@ED.GOV** and **PPRA@ED.GOV**. The FPCO Web site address is **www.ed.gov/policy/gen/guid/fpc**.

## **INTRODUCTION**

The *Code of Student Conduct*, as required by law, includes the grounds and the procedures to be followed in disciplinary action and an explanation of students' rights and responsibilities. It is designed to provide a framework of discipline for all schools in Santa Rosa County. Used as a guide, it outlines the behavioral problems to be dealt with by classroom teachers, those to be referred to the Principal or a member of the administrative team, and those problems which are beyond the scope of the school's authority. The Principal, or his/her designated representative, has the authority, as delegated by and in accordance with School Board policies, to take additional or more severe action than suggested in the *Code*, if in his/her opinion the conduct warrants it.

The *Code* has been created to help students gain the greatest possible benefit from their school experience. The *Code* is made available to school personnel, teachers, parents, students, and School Advisory Council members at the beginning of each school year. Students receive instruction in the *Code* and are encouraged to share the *Code* with their parents/guardians. Parents/guardians have the responsibility for the actions of their children and should be involved in their education. Parents and students are responsible for knowledge of the contents of the *Code*. The School Board and administrators expect all students to comply with the *Code of Student Conduct*.

A student with a disability refers to any student identified as disabled in accordance with the Individuals with Disabilities Education Act Revised and/or Section 504 of the Rehabilitation Act of 1973. If a student with a disability has an individual

Behavior Intervention Plan (BIP), then the BIP supplants the *Student Code of Conduct* and the student will be disciplined in accordance with the procedures delineated in his/her Behavior Intervention Plan.

## GENERAL POLICIES

### Attendance

Florida Statute 1003.21 requires students ages six (6) up to 18 to be in regular attendance at school. A student who has been absent from school shall have his or her absence reported in a manner which is described in the school's Student Handbook.

- A. **Excused Absences:** Absences granted for personal illness, illness or death of a member of the immediate family, medical or dental appointments, religious holidays, religious instruction, court date and special emergencies or pre-arranged absences approved by the Principal or designee. The parent/guardian must notify the school to provide the reason for the absence or respond to the school's inquiry about the reason for the absence within three (3) days of the absence, or it becomes an unexcused absence.

A student who desires to be absent for reasons not given above; may make a **prior arrangement** request to the school Principal by bringing a written request from his/her parent or guardian.

1. Pre-arranged absence requests must be made at least five (5) school days prior to the date of the absence, except in the case of an emergency.
2. Students shall make pre-arrangements for their school work to be done; it will be due the day the student returns to school. Work done in the pre-arranged time allotted will be given full credit.

- B. **Unexcused Absences:** Absences for shopping trips, vacations, pleasure trips, truancy, dismissal from school, or other avoidable absences which have not been pre-arranged and approved by the Principal or designee. Five (5) late to school Check-Ins and/or Check Outs, will equate to the student receiving one (1) unexcused absence for truancy purposes.

**Learnfare Program:** The School District will report any wage recipient (student) to the Department of Children & Families when he/she reaches five (5) unexcused absences within 30 calendar days.

**Student Contact Program:** If a parent/guardian does not respond to the initial school contact regarding unexcused absences, schools have the option of utilizing a law enforcement officer to deliver a letter of notice.

- C. **Notification to School:** Any student who has been absent from school shall bring a note from one of his/her parents or guardians stating the cause of the absence. A Principal may choose to accept notification in person or by telephone in lieu of a note. Failure to properly notify the school or the inability of the school to reach the parent/guardian to establish the reason for the absence within three (3) days shall result in an unexcused absence.

1. The school shall receive notification of the cause of the absence within three (3) days.
2. The school will determine if the absence is to be excused or unexcused.

- D. **Definition of Habitual Truant:** A habitual truant is a child who has 15 unexcused absences within 90 calendar days with or without the knowledge or justifiable consent of the child's parent or legal guardian, who is subject to compulsory school attendance under Florida Statute 1003.21(1) and (2)(a), and who is not exempt under Florida Statute 1003.21(3) or 1003.24 or any other exemptions specified by law or rules of the State Board of Education.

- E. **Truancy Procedures:** If a student has had at least five (5) unexcused absences\* or absences for which the reasons are unknown within 30 calendar days, or ten (10) unexcused absences or absences for which the reasons are unknown within 90 calendar days, the student's primary teacher shall report to the school Principal that the student may be exhibiting a pattern of nonattendance.

\* Five (5) late to school Check-Ins and or Check-Outs prior will equate to the student receiving one (1) unexcused absence.

1. The Principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's Integrated Services Team to determine if early patterns of truancy are developing.
2. The parent/guardian shall be invited to meet with the Integrated Services Team to develop a written Truancy Intervention Plan.
3. The parent/guardian shall be informed of the requirements of compulsive attendance laws, Truancy Pick-Up Program and the Department of Motor Vehicle sanctions.

4. If an initial meeting does not resolve the problem, the Integrated Services Team shall implement interventions that best address the problem. The interventions may include, but need not be limited to the following:
  - referral to the School Social Work Department
  - frequent communication between the teacher and the family
  - changes in the learning environment
  - mentoring
  - student counseling
  - tutoring, including peer tutoring
  - placement into different classes
  - evaluation for alternative education programs
  - attendance contracts
  - referral to other agencies for family services
  - other interventions, including, but not limited to, a truancy petition pursuant to s.984.151, F.S.

The Integrated Services Team (IST) shall be diligent in facilitating intervention services and shall report the child to the Superintendent only when all reasonable efforts to resolve the nonattendance behavior are exhausted.

- a. If the parent or guardian in charge of the student refuses to participate in the remedial strategies because he or she believes that those strategies are unnecessary or inappropriate, the parent or guardian in charge of the student may appeal to the School Board.
  - b. If the Board's final determination is that the strategies of the Integrated Services Team are appropriate, and the parent or guardian in charge of the student still refuses to participate or cooperate, the Superintendent may seek criminal prosecution for noncompliance with compulsory school attendance.
  - c. If nonattendance continues after the implementation of intervention strategies, the Principal may request that the Superintendent (or his designee) file a truancy court petition. If a truancy court petition is filed, the parents/guardian of the student will receive a summons to appear in circuit court pursuant to F.S. 984.151, and the parents/guardian may be subject to continued court jurisdiction, fines, probation or jail.
5. If the parent/guardian of a child who has been identified as exhibiting a pattern of nonattendance enrolls the child in a home education program pursuant to F.S.1002, the Superintendent of Schools shall provide the parent/guardian a copy of F.S.1002.41 and the accountability requirements of this paragraph. The Superintendent of Schools shall also refer the parent/guardian to a home education review committee composed of the District contact for home education programs and at least two (2) home educators selected by the parent/guardian from a District list of all home educators who have conducted a home education program for at least three (3) years and who have indicated a willingness to serve on the committee. The Home Education Review Committee shall review the portfolio of the student, as defined by F.S.1002.41, every 30 days during the District's regular school terms until the committee is satisfied that the home education program is in compliance with F.S.1002.41 (1)(b). The first portfolio review must occur within the first 30 calendar days of the establishment of the program. The provisions of paragraph six (6) below do not apply once the committee determines the home education program is in compliance with F.S.1002.41 (1)(b).
6. If the parent/guardian fails to provide a portfolio to the committee, the committee shall notify the Superintendent of Schools. The Superintendent of Schools shall then terminate the home education program and require the parent/guardian to enroll the child in an attendance option provided under F.S.1003.01 (13), (a), (b), (c), or (e), within three (3) days. Upon termination of a home education program pursuant to this paragraph, the parent/ guardian shall not be eligible to reenroll the child in a home education program for 180 calendar days. Failure of a parent or guardian to enroll the child in an attendance option after termination of the home education program pursuant to this paragraph shall constitute noncompliance with the compulsory attendance requirements of F.S.1003.21 and may result in criminal prosecution under F.S.1003.27 (z). Nothing contained herein shall restrict the ability of the Superintendent of Schools, or the ability of his or her designee, to review the portfolio pursuant to F.S.1002.41(1)(b).
7. If a child subject to compulsory school attendance will not comply with attempts to enforce school attendance, the parent, the guardian or the Superintendent or his designee shall refer the situation to the case staffing committee

(Child in Need of Services – CINS) and the Superintendent or his designee may file a Truancy Petition pursuant to the procedures in Florida Statute 984.151.

- F. **Truancy Pick-Up:** Any child believed to be of compulsory school age of six (6) up to 18 who does not appear to be under adult supervision may be stopped, interviewed and picked-up by law enforcement officers.
- G. **Prolonged or Repeated Absences:** When a student is absent repeatedly or for a prolonged period of time due to an illness or injury, the Principal or designee may require documentation from a physician or health care provider. If the requested documentation is not provided, the absence will be unexcused.

A student who has medically diagnosed physical or mental conditions which confine the student to home or hospital and whose activities are restricted for a period of at least 15 consecutive school days, may be eligible for **homebound/hospital services**. Parents/ guardian should contact the student's school to secure an application for these services.

A student who has been sent home with **head lice and/or nits** should return to school, free of head lice and/or nits within two (2) calendar days; absences from school during the two (2) calendar days will be excused. For each occurrence of head lice and/or nits, absences beyond two (2) calendar days will be unexcused.

- H. **Department of Motor Vehicles Sanctions:** A student who is 14 years of age, but less than 18 years of age, and who has had 15 unexcused absences within a 90 calendar-day period may have his/her motor vehicle operator's license suspended (in accordance with F.S.322.091).

The student may request a *hardship waiver* hearing with appropriate school officials within 15 days of *notice of intent to suspend license* issued by the Department of Highway Safety and Motor Vehicles. This hardship waiver request should be made in writing to the school Principal or his/her designee. The written request should set forth, in detail, the extraordinary circumstances which justify a waiver. A hardship hearing shall take place within 30 days of notification of the intent to suspend by the Department of Highway Safety and Motor Vehicles. If the hardship waiver is denied by the Principal or designee, the student may appeal the decision to the Director of High Schools. This request must be written and submitted to the Director within five (5) days of the denial. A student may have his/her license reinstated after he/she has attended school for 30 days with no unexcused absences. The student must complete a reinstatement form, which the school must verify. The student will then take the completed form and reinstatement fee to the driver's license office, which will issue the student another operator's license.

- I. **Intent to Terminate School Enrollment:** A student between the **ages of 16 and 18** who chooses to terminate his/her education **must officially withdraw** and complete a "Declaration of Intent to Terminate School Enrollment" form, which will acknowledge that this action is likely to reduce the student's earning potential and **which must be signed by the parent and student**. The school must notify the student's parents of receipt of the student's declaration of intent to terminate school enrollment. The student must participate in an exit interview with the student's guidance counselor or other school personnel for determination of the reasons for the student's decision to terminate school enrollment and to discuss actions and opportunities to continue the student's education in a different environment. The student must complete a survey as a part of the exit interview that will provide data on student reasons for terminating enrollment and actions taken by schools to keep the student enrolled. Such action, unless recognized by the School Board as a hardship condition, will cause the student to lose his/her driving privilege.

Exceptional Student Education Program (ESE):

- a.) Transfer of Rights – Under the regulations for FERPA in 34 CFR 99.5(a), parent rights regarding education records are transferred to your child at age 18. If the rights accorded to the parent under IDEA are transferred to your child who reaches the age of majority, consistent with 34 CFR 300.520, the rights regarding educational records are also transferred to your child. (Parent Procedural Safeguards for Parents of students with disabilities, Part B Santa Rosa).
- b.) ESE students with disabilities who have not yet reached their 22nd birthday and who have not earned a standard diploma and who wish to continue their education may continue to receive Free Appropriate Public Education (FAPE) consistent with a properly developed IEP.

- J. **Elementary School Absenteeism:** After review by the Integrated Services Team (IST) at each school, the Principal has the authority to retain students who have been absent 20 or more days excused and/or unexcused.

The Principal has the final authority, for the grade placement of each student.

- K. **Middle School Absenteeism:** A student in grades six (6) through eight (8) is **required to be in attendance 162 days per year in the 180 day school year**. If a student accrues more than 19 absences within a school year, the student will

be referred to the Integrated Services Team (IST) or the Academic Review Committee at the school to determine whether the student shall be promoted. The Principal has the final authority for the grade placement of each student in accordance with the *Student Progression Plan*.

- L. **High School Absenteeism:** Absenteeism equal to ten (10) or more absences during a semester unit of instruction or five (5) or more absences during a quarter unit of instruction requires the demonstration of mastery of the course for all students, except those students enrolled in competency based Dropout Prevention programs as follows:
1. Meeting the class requirements of the semester/quarter unit of instruction and earning a teacher-assigned passing grade
  2. Passing a comprehensive semester/quarter examination covering the performance standards of the semester/quarter unit of instruction at the 60 percent level or above. The length, design, and degree of difficulty of such an exam is to be comparable to the semester/quarter exam required of any other student taking the exam for the same course.
  3. Any student who scores below 60 percent on the semester/quarter exam will be awarded a course average of 59 or their actual average, whichever is lower.

**Any parent/guardian requesting a waiver of this policy must submit their request in writing to the school Principal along with a detailed explanation for the request. The intent of this waiver is for situations regarding absences due to medical reasons. The school Principal will evaluate each request and make a determination as to whether or not the waiver will be granted.**

#### **Course Average Flow Chart**

- |   |          |                      |

- M. **Make-Up Work:** When a student is absent from school for school-sponsored activities or for an **excused absence**, the student shall be responsible for making arrangements with teachers for completing all work and assignments missed during the absence. All make-up work assigned shall be completed within three (3) days after the student returns to school unless given an extension of time by the teacher. Tests announced prior to the absence can be given on the student's first day back to school, or at the discretion of the teacher. Assignments given prior to an absence that were due during the absence should be turned in the first day the student returns to school (see "Excused Absences"). If the teacher finds it necessary to provide an alternate test or assignment for a student who has been absent, the test or assignment shall be comparable in length, design and degree of difficulty of the test or assignment given to the other students in the class for which the student was absent.

Zeroes will be given for class work and assignments missed during an **unexcused absence** and may not be made up for grading purposes unless an exception is made by the Principal or designee.

Accommodations indicated on student IEP/504 Plan must be implemented.

#### **Out-of-School Suspension Assignments**

##### **Elementary/ Middle School:**

Assignments provided to students **suspended out-of-school**, are due upon the student's return to school. Any assignment not turned in upon the student's return from being suspended out of school will result in the student receiving zeroes for the work assigned. Credit will not be awarded for work turned in but will be reviewed for feedback purposes only.

##### **High School:**

Students will receive zeroes for all assignments during the time the student is **out-of-school suspended**. Assignments provided to students **suspended out-of-school**, are due upon the student's return to school. Credit will not be awarded for work turned in but will be reviewed for feedback purposes only.

N. **Tardiness:** A tardy is the absence of any student at the time attendance is taken, provided the student is in attendance before the end of class except in the cases of checking in to school after the designated start time. Repeated and/or excessive incidents of tardiness may potentially result in disciplinary action.

O. **Leaving School Prior to End of Day:** It is required that the parent or designated adult sign the student out unless prior arrangement has been made by the parent/guardian. ***Repeated and/or excessive incidents of leaving school prior to the end of the day may potentially result in disciplinary action for the student.*** Five (5) accumulated "late to school Check-Ins" or "early Check-Outs" will equate to the student receiving one (1) unexcused absence.

**Students with an IEP/504 Plan indicating a modified/shortened school day will not be marked absent.**

P. **Late to School Check-In or Early Check-Outs:**

- a. **Students arriving after a school's designated start time are considered late to school and will receive a "Late to School Check-In" coding.**
- b. **Students checking out of school prior to the end of the school's designated dismissal time will receive an "Early Check-Out" coding.**

This search may be conducted because of reasonable suspicion by school officials or without any reasonable suspicion. Furthermore anything found in the vehicle shall be deemed to be in the student's possession and it is the student's responsibility to be certain that no items which are prohibited by the *Code of Student Conduct* are located in the vehicle whether or not said items belong to the student or to others.

### **Civility**

In order to provide a safe, caring and orderly environment, the Santa Rosa School District expects civility from all who engage in school activities. Mutual respect, professionalism and common courtesy are essential qualities that all need to demonstrate in promoting an educational environment free from disruptions, harassment, bullying and aggressive actions. The following are unacceptable behaviors: using loud offensive language or profanity; behaviors which interfere with or threaten to interfere with school activities; intimidating, harassing, bullying, and inappropriate display of temper; threatening verbal or physical harm; threatening, abusive, intimidating or obscene telephone conversations, written communications, electronic mail, or voice mail.

Any student subjected to unacceptable behavior may bring the concern to the attention of a school employee who will notify the school administration for review and resolution of the reported incident. Any other individual subjected to unacceptable behavior may bring the concern to the attention of the school administration or the school District administration for review and resolution to the reported incident.

### **Criminal Acts on School Grounds, on School Sponsored Transportation, or During School-Sponsored Activities**

A. The Santa Rosa County School Board has adopted a Zero Tolerance Policy for the following Violent and Non-Violent Criminal Acts:

1. Violent Criminal Acts are defined by the State Board of Education Rule 6A-1.0404 (2) and Florida Statutes as homicide (murder, manslaughter); sexual battery; armed robbery; aggravated battery; battery or aggravated battery on a teacher or other school personnel; kidnapping or abduction; arson; possession, use, or sale of any firearm; possession, use, or sale of any explosive device; possession or use of a weapon; threat to throw, project, place, or discharge any destructive device or to make a false report about planting a bomb or explosive involving school or school personnel's property, school transportation, or a school-sponsored activity.
2. Non-Violent Criminal Acts as defined in this policy are the possession of weapons within one thousand (1000) feet of school property; the possession, use, or distribution of controlled substances and the possession or distribution of

controlled substances within one thousand (1000) feet of a school; the violation of the School Board's Sexual Harassment Policy; and other criminal acts of a nonviolent nature.

- B. A student who commits a Violent Criminal Act is to be recommended for expulsion from the school system, and his/her offense is to be reported to the appropriate local law enforcement agency. In addition, if the offense involves a victim, the victim and the victim's parent(s) or legal guardian(s) are to be notified by school officials of the offense and of the victim's right to press charges against the offender. School officials shall cooperate in any investigation or other proceedings leading to the victim's exercise of rights as provided by law.

**Note: If a student has an IEP/504 Plan, refer to "Alternative Placement/Expulsion with Continuing Educational Services."**

- C. A student who commits a Non-Violent Criminal Act should be disciplined in accordance with the procedures set forth in this *Code of Student Conduct* and his/her offense reported to the appropriate local law enforcement. Criminal acts are grounds for disciplinary action and may also result in criminal penalties in accordance with Florida Statute.

### **Distribution of Audio, Video, Digital, Printed Materials, or Computer Disc**

No audio, video, digital, printed material or computer disc from any source shall be distributed on school property, or at a school-sponsored function, without the prior approval of the school Principal.

### **Dress Code and Grooming of Students**

Appropriate student grooming and dress are primarily the responsibility of the student and parent/guardian. Students are expected to give proper attention to personal cleanliness and neatness prior to coming to school. Students whose personal attire, or grooming, distracts other students and/or teachers from school work by exposing underwear or body parts in an indecent or vulgar manner, or whose attire could be hazardous to themselves and/or others in the course of school activities, shall be required to make necessary alterations of such attire and grooming before entering the classroom. If such alterations cannot be made at school, the student will be sent home to make the necessary changes. The time missed from school will be unexcused. Adhering to the school dress code is a prerequisite for student eligibility for participation in interscholastic extracurricular student activities. Out-of-school suspension should not be considered as an automatic solution to dress code violations, but may be used if the student exhibits a persistent pattern of dress code violations. Students are required to follow the dress code outlined by the individual schools at all school sponsored activities, including field trips. The Principal or Principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code.

### **Guidelines**

- Students may not wear clothes, jewelry, accessories, or tattoos which convey messages that are: inappropriate for age group, crude, vulgar/profane, violent/death-oriented, gang related, sexually suggestive, show/promote/ advertise alcohol, drugs or tobacco.
- Students may not wear any color, clothing, insignia, emblem, jewelry, or other object in such a manner as to indicate membership or association with any secret organization or gang.
- Students may not wear form fitting clothing (such as but not limited to spandex), tank tops, halter tops, muscle shirts, undershirts, sports bras or boxer briefs, or other underwear as outer garments.
- Students may not wear clothing that reveals undergarments or the midriff, nor blouses or shirts which are low-cut or see-through. This includes the expectation that pants cover the hips upon sitting so that undergarments are not revealed.
- Skirts, split-skirts, dresses, and shorts may be worn, but must be near the knee in length.
- Shoes must be worn at all times (unless medical reasons indicate otherwise). Elementary students are discouraged from wearing flip flops, high heels or bedroom slippers/house shoes.
- Armbands, wristbands, belts, or other items with heavy metal projections and chains, including wallet chains, are prohibited.

- Students are strongly encouraged not to bring hats or other head coverings to school. The wearing of hats or other head coverings on school campuses shall be in accordance with the local school dress codes and shall not be disruptive to the orderly school environment.
- Students may not wear sunglasses inside the building without prior approval of the Principal or the Principal's designee nor may a student wear a hoodie with the hood worn over the head at school.
- Any student who is required to wear a GPS (ankle monitor) must keep it covered at all times.

***More specific guidelines for dress may be provided in the school's Student Handbook.***

### **Drug Testing**

All athletes, cheerleaders, and marching band members who participate in interscholastic extracurricular activities may be subject to random drug testing in accordance with the School Board approved guidelines. This will include any random drug testing and designated penalties as required by Florida Statute.

### **Due Process**

Due process in education requires that a student is given notice of what allegation is being made against him/her and that the student is given an opportunity to be heard regarding the allegations. The initial due process is usually at the school where the incident occurred. The Principal or his/her designee provides the student with information regarding the incident and the student is provided with the opportunity to respond. After considering the student's response, the Principal makes a decision on discipline. This level is informal. Subsequent levels of due process may involve the student discipline committee, the Superintendent or the School Board. At each level the procedure becomes more formal and the student is apprised of the procedural safeguards. The ultimate decision of expulsion is made by the School Board in accordance with the requirements of due process.

### **Electronic Reading Devices**

The following guidelines apply only to the use of e-Readers on Santa Rosa District School campuses/property. Other electronic devices (such as Smart Phones, i-Pods) may not be used as e-Reading devices unless approved by the school administrator.

1. Use of e-Readers should have prior approval from school administration. These electronic devices can only be used under the direct supervision of a teacher. They cannot be used during class changes or lunch.
2. Each classroom teacher must give permission for the device to be used in their respective room.
3. The student must disable all Internet functions while on campus except where required for instruction.
4. The teacher/administrator retains the right to approve or disapprove content used on the e-reader while on the school campus.
5. Students will not be allowed to download content at the school site.
6. The student is solely responsible for personal property and neither the school nor school District shall bear any responsibility for lost, damaged, or stolen property brought by a student.
7. Neither the school nor school District will provide technical support for any personal electronic device.
8. The school may provide, where available, electronic media for current core classroom textbooks to be used by a student via their personal e-reader device.
9. Consequences for violation of this policy will coincide with those of student **mobile device** violations.
  - a. Violation of policies will result in the electronic device being taken from the student.
  - b. A parent/guardian will be required to pick-up the device from the dean or administration.
  - c. The school retains the right to assign further consequences as necessary.

### **Reading Level Versus Age-Appropriateness**

Santa Rosa County District Schools recognizes the value of eBooks as a resource for student reading. While eBooks can serve as a valuable resource for our students, the use of eBooks should be closely monitored by parents. It is important that parents recognize that reading levels may not always be indicators of the appropriateness of the online content. Just like a book, an eBook that is the correct reading level may not contain age-appropriate material for that specific age level. For

example, just because a book is listed at a 5.5 reading level does not mean that the content is appropriate for a child reading at that level. The student may be able to read the words, but the content may be too mature for the student.

A book listed on the Accelerated Reader (AR) site, Scholastic Reading Counts (RC) site, or similar book collection sites, does not necessarily mean the book is available in Santa Rosa County District School libraries, or that it is endorsed by Santa Rosa District Schools.

Santa Rosa County District Schools are not liable for the content students are exposed to when a student chooses to navigate to unauthorized sites or use electronic devices in a manner to view or send material that has not been approved by school officials. Students engaging in such behavior may be subject to disciplinary action.

### **Failure to Notify**

A student who has knowledge of and fails to report to a person in authority the plans or actions of another person that might result or has resulted in harm to a person or damage to property could face disciplinary action. A student may report this information to an administrator, staff member or a School Resource Officer at the school or the student may report it through the Santa Rosa County Crime Stoppers at 437-STOP (437-7867). See the "How to Call a Tip to Crime Stoppers" page.

### **False Statements**

Whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her official duty shall be guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. (FS 837.06)

### **Harassment**

It is the policy of the Santa Rosa County District School Board that each student be allowed to receive equal educational opportunities in an environment free from any form of malicious or sexual harassment as prohibited by state and federal statutes.

Students found to be in violation of the Board's policy on harassment may be subject to disciplinary action up to and including expulsion and may also be subject to criminal penalties.

### **Internet Acceptable Use Policy and Guidelines:**

Refer to the Santa Rosa District Schools *Acceptable Use Policy Agreement for Students*.

### **Language Other Than English (ESOL)**

Students may not be disciplined for the use of a language other than English. However, students may be disciplined for the use of profanity or obscenity in any language.

### **Law Enforcement Officers/Court Officials/DCF Representatives**

A. **Non-Victim/Non-Witness Interviews/Suspect:** When a law enforcement officer, an identified representative of the court on official business, or an identified Department of Children and Families representative makes a request to interview a student **who is not a victim or witness of a crime or delinquent act or is not involved in a suspected child-abuse case**, the following steps shall be taken by the administrator or designee:

1. The parent shall be called and notified of the request.
2. If the parent objects to such questioning or if the parent cannot be contacted, the officer shall be requested to make arrangements for questioning the student at a later date when the parents or their representative can be present, unless a law officer has an investigative subpoena.
3. In the event an interview or interrogation takes place, the school administrator should request to be present in the room during the interview or interrogation.

B. **Victim/Witness Interviews:** Principals shall permit law enforcement officers, identified representatives of the court on official business, or identified Department of Children and Families representatives to interview students who are victims of or witnesses to a crime or delinquent act, or students who are involved in suspected child abuse cases. The Principal or his/her designee shall document attempts to notify the student's parent or guardian prior to such interviews with victims unless a family member is the alleged abuser or participant in the crime or delinquent act. In accordance with Florida

Statutes, the Principal or designee shall be present for interviews regarding suspected child abuse only if requested by the student and the official conducting the interview. In the case of other interviews involving the student as a victim, all witness interviews shall be conducted in the presence of the Principal or designee. School Resource Officers shall be required to document parent contact prior to interviewing a suspect for activities that occurred off campus unless the student is 18 years of age or an emancipated minor. School Resource Officers shall not be required to document parent contact prior to interviewing a victim or witness.

- C. **Warrants and Subpoenas:** Principals shall permit law enforcement officers and identified representatives of the court on official business to serve students with arrest or search warrants and subpoenas.
- D. **Removal of Student from School:** Should an officer request to take the student out of school, he/she shall do so only with the consent of the parents or with a subpoena which requires the student to be a witness. If the officer desires to make an arrest, either with or without an arrest warrant, he/she shall be allowed to do so without objection by the administrator or teacher in charge. If the student is removed by an officer, the administrator shall endeavor to notify the parents prior to the student's removal from school premises or as soon thereafter as possible.
  - 1. If a law enforcement officer demonstrates to a Principal, or his/her representative, that the child needs to be taken into protective custody pursuant to Section 39.401 F.S., the officer shall be permitted to remove the student.
  - 2. Should the officer request to take the student out of school, he/she should be permitted to do so under the aforementioned conditions and upon the condition that he/she signs the student out in accordance with local school policies regarding students leaving campus.

### **Medication Policy**

Any medication, either prescription or nonprescription, to be administered to a student on school premises or at school functions (including field trips), must be brought to the school by the parent/guardian/authorized adult representative for retention and administering. No student will be allowed to have medication, prescription or nonprescription, with the exception of an Epipen or an asthma inhaler, in his/her possession on school premises, on school transportation, or at a school function. Epipens, insulin pens, or asthma inhalers will be permitted to be carried with parental permission and physician's signature on the "Dispersion of Medication Form." The parent/guardian of a student with diabetes should contact the school to update the "Students Health Care Plan for Insulin Dependent Diabetes Form."

Medication brought to the school must be in the original prescription container, properly labeled with the child's name, doctor's name, name of medication, route, dosage, directions and expiration date. A "Dispersion of Medication Form" must be completed for **each** prescription, and a method of disposal of any unused or expired medication designated. The medication must be counted jointly by the parent/guardian and a school staff member. The parent/guardian and school staff member must both sign the "Registry of Medication Form" both for the initial prescription and each time additional medication for the same prescription is brought to the school. Nonprescription medication should also be in the original container and the procedures previously described for dispersion and registering of medication apply.

Parents/guardians are encouraged to request prescriptions for medications which limit administration during school hours. First morning doses should be given at home with only mid-day doses administered by a school staff member. Doses missed at home will not be administered by school staff. **Medication(s) will not be provided by the school.**

### **Nondiscrimination**

No student shall be denied the opportunity to participate in appropriate programs, services, and activities by this school District on the basis of race, color, religion, gender, age, marital status, disability, political or religious beliefs, national or ethnic origin, if otherwise qualified, social and family background, or on the basis of the use of a language other than English, except as provided by law. Accommodations shall be afforded to students with disabilities who qualify for services under Section 504 and/or the Individuals with Disabilities Education Act. F.S.1006.0625 forbids a public school to deny any student access to programs or services because the parent/guardian of the student has refused to place the student on psychotropic medication.

### **Off Campus Actions Which Disrupt the School Environment**

Normally off-campus actions of students are not the basis for disciplinary actions by the school or school District. However, when those actions are of such a nature and extent that they reasonably can or do cause a disruption of the educational environment at the school, they may be the subject of disciplinary action. An example might be a student's use of an off-campus computer to post libelous, slanderous, demeaning, or profane remarks pertaining to school personnel or other

students. It is not the purpose of this section to suppress the student's right of free speech, but rather to protect the school environment from actions that have a direct and detrimental effect on the educational process taking place at the school. Any disciplinary action by the school District shall in no way limit the right of the individual teacher or other school personnel to report the false allegation of committing a crime to the appropriate law enforcement authority, and/or pursue a civil action for libel, slander or defamation.

### **Patriotic Programs: Rules**

F.S. 1003.44 requires that the pledge of allegiance to the flag be recited at the beginning of the day in each public elementary, middle, and high school in the state. The pledge shall be rendered by students standing and placing their right hand over their heart. Upon written request from his or her parent, a student must be excused from reciting the pledge. When the pledge is given or the national anthem is played, all civilians (including students) must show full respect to the flag by standing at attention, men removing headdress, except when the headdress is worn for religious purposes.

### **Personal Property and Possessions**

Students are solely responsible for any personal property brought onto school grounds, on school-sponsored transportation, or to a school-sponsored activity. Neither the Board nor any Board employee shall bear any responsibility for any lost, damaged, or stolen personal property brought by a student onto school grounds, on school-sponsored transportation or to a school-sponsored activity.

### **Reporting of Expulsions, Alternative Placements, Arrests and Juvenile Justice Actions**

Students are required at initial registration for school enrollment in the District to report any previous school expulsions, alternative placements, arrests resulting in a charge, and/or juvenile justice actions. The School Board has the authority to waive or honor the final order of expulsion, alternative placement or dismissal of a student by any in-state or out-of-state public district school board or private school for an act that would have been grounds for expulsion or alternative placement according to the receiving District School Board's *Code of Student Conduct*.

### **Safety of Students**

#### **A. Arriving/Leaving School During School Day:**

1. Students arriving or leaving school during the school day must have permission verified by parent/guardian and follow prescribed Check-In and Check-Out procedures.
2. Students shall not be permitted to leave school with persons whose identity has not been satisfactorily established or whose authority to take the child away from school has not been authenticated by appropriate school records.

- B. Campus Hours/Limits of Liability:** Each school campus shall be open, and students shall be supervised beginning 30 minutes before the beginning of the school day and continuing until 30 minutes after the school day. Students are to remain in assigned areas prior to the beginning of the school day and after the ending of the school day as stipulated by the school.

Parents/guardians are advised that the school will not be responsible for students who are on school premises other than these times. Students who are not authorized to be on the campus are to leave the school campus upon dismissal in the afternoon. Supervision of students authorized to participate in or attend school-sponsored activities on the school premises shall begin 30 minutes before the actual beginning of the activity and continue until 30 minutes after the actual ending of the activity.

- C. Student Pick-Up Area:** The Principal of each school will designate a specific area for students who are waiting to be picked up at the conclusion of after-school activities. If a student must call his/her parents, a specific telephone will be designated. It shall be the responsibility of the student to wait in the designated area. Parents/guardian shall pick up their children in a timely manner at the conclusion of after-school activities.

- D. No student shall leave the school bus** on his/her way to or from school without the documented permission of his/her parent or guardian and the Principal or designee, except at the customary destination of the child which shall be the school or home.

#### **E. Evacuation / Lockdown:**

Santa Rosa County District Schools utilizes two standard responses for handling students and staff in any emergency situation – evacuation or lockdown. Evacuation plans begin with a fire drill procedure and include at least two routes for

moving students very quickly away from the campus. A lockdown of the school building may be used during any emergency where there is a need to keep students in place. Some lockdown situations (i.e., a hazardous waste spill, a tornado warning or an intruder) may begin with a lockdown procedure and then proceed with additional precautions. Schools are required to participate in a series of drills during the school year to practice the procedures. If an emergency were to occur on a school campus, parents are asked to tune into local media stations (television and radio) for additional information rather than reporting to the school campus.

### **School Bus Transportation**

- A. Transportation on a school bus is a direct extension of both the classroom and the school in general. All rules, guidelines, and codes of conduct which apply to students at school continue to be in effect while students are being transported by school buses. This includes loading and unloading both on and off the school grounds and time spent waiting at bus stops. The time a student is on a school bus is considered an extension of the regular school day/time.
- B. In addition, the following specific rules are posted in each school bus:
  - 1. Stand off roadway while awaiting bus.
  - 2. Remain in your seat with the seatbelt buckled at all times while bus is moving.
  - 3. Keep all body parts inside the bus at all times.
  - 4. Do not throw any object or material on the bus or out of a bus window or door.
  - 5. Walk ten (10) feet in front of the bus and wait for the driver's signal before crossing the road.
  - 6. Unnecessary conversation with the driver is dangerous. Please remain quiet.
  - 7. Absolute silence is required at all railroad crossings.
  - 8. The driver is in full charge of bus and students. Students must obey the driver.
  - 9. The driver will assign a seat to each student who rides the bus.
  - 10. No eating, drinking, or using of tobacco products is allowed on the bus.
  - 11. Students should be at their designated stop 10 minutes prior to scheduled bus pick-up time; the bus cannot wait for those who are tardy.
  - 12. Students must exit the bus at their designated stop only unless written permission is granted by school administration.
  - 13. Riding the bus is a privilege. Do not abuse it.
  - 14. Students riding Santa Rosa District School buses may be subject to video recording for disciplinary purposes.
- C. The bus driver is responsible for the safe operation of each vehicle. Therefore, the driver has the authority to assign seats, restrict movement, and set other rules which he or she deems necessary for the orderly and safe operation of the school bus.
- D. Violation of School Board transportation policies, including disruptive behavior on a school bus or at a school bus stop, by a student is grounds for suspension of the student's privilege of riding on a school bus, may be grounds for additional disciplinary action by the school, and may also result in criminal penalties being imposed.
- E. For Pre-K students Special Transportation means that a car seat will be provided by the school district to transport the child to and from school. Parent or guardian is to place the child in the car seat on the bus in the morning and remove the child from the car seat on the bus in the afternoon.

### **Secret Societies Prohibited in Public Schools ("Gangs")**

- A. It is unlawful for any person, group, or organization to **organize** or **establish** a fraternity, sorority, or other secret society or gang in the state whose membership shall be comprised in whole or in part of pupils enrolled in any public schools, whether elementary or secondary, or to go upon public school premises for the purpose of soliciting any pupils to join such an organization.
- B. It shall be unlawful for any pupil enrolled in any public school to be a **member** of or to take part in the organization of such a group, unless such organization is fostered and promoted by the school authorities or is first approved and accepted by school authorities, and whose membership is selected on the basis of good character, good scholarship, leadership ability and achievement.

### **Student Detention, Search and Seizure**

The Principal, any member of the administrative or instructional staff, or the School Resource Officer shall be authorized to temporarily detain and question a student when circumstances indicate that such a student has committed, is committing, or is about to commit a violation of law or a regulation of the School Board.

- A. If at any time reasonable suspicion exists that the student is unlawfully concealing any stolen or illegal property, an alcoholic beverage or liquor, illegal drugs, or any weapon as provided in these regulations or any other item in violation of this code, a school official or the School Resource Officer may temporarily detain and search the student, school property assigned to a student (including, but not limited to lockers and desks), a student's personal property located on school grounds including student's vehicles on campus, or any property in the possession of the student on the school grounds for the purpose of disclosing the presence of items as herein provided. In the absence of probable cause, school officials may temporarily detain and search a student if reasonable suspicion exists.
- B. If a search of a student, school property assigned to a student (including, but not limited to lockers and desks), a student's personal property located on school grounds, or other property in the possession of the student on the school grounds reveals stolen or illegal property or any item prohibited by School Board regulations, such item or items may be seized and surrendered to the proper authorities or the parents/guardians of the student or disposed of by the school official in the most appropriate manner.
- C. The Board reserves the right to inspect students' school lockers or other school property assigned to students in order to protect the health, safety, and welfare of students. Such property is the property of the school system, and each student who desires to exercise the privilege of using such property must sign a form, if requested, acknowledging the ownership of the school system and that such property may be inspected by school authorities at any time without notice or consent and without the student's knowledge or presence. Such searches shall be conducted only if school personnel have reasonable suspicion. Routine clean-ups shall not be considered a search.
- D. Metal detectors or specially trained animals may be used in the course of a search when reasonable suspicion exists. A trained drug-sniffing dog may be used to walk through the parking lot or the building without reasonable suspicion provided that students are not being detained (without reasonable suspicion) while the dog is sniffing. An alert by a trained drug-sniffing dog that drugs are present in a particular location provides school officials and law enforcement officers alike with probable cause to conduct a search of the person or place to which the dog alerted.
- E. As a condition of being permitted to park a vehicle on campus, Students understand and agree that the vehicle which is driven onto campus is subject to search at anytime by school officials or their designees, at their discretion. This search may be conducted because of reasonable suspicion by school officials or without any reasonable suspicion. Furthermore anything found in the vehicle shall be deemed to be in the student's possession and it is the student's responsibility to be certain that no items which are prohibited by the Code of Student Conduct are located in the vehicle whether or not said items belong to the student or to others.

### **Student Expression**

In accordance with First Amendment rights of students, the Principal of a school has the right to review any student publication or expression in any format prior to its publication and distribution on campus. It is the responsibility of the student(s) who intends to distribute such expressions to bring the material to the Principal. A student who refuses to allow the Principal to review the material shall be considered in defiance of authority.

Reasons for denial of permission to distribute such materials shall include but not be limited to violation of Board policy; handling and dissemination concerns; staff availability; conflicts with school events calendars; obscenity, profanity, and vulgarity incompatible with normal activity associated with the school system; or a threat to the safe school environment. The Principal shall confer with the Board attorney to determine the appropriateness of denial.

The Principal shall give a written statement of explanation of the reasons for denial of the right to publish or distribute the material to the Superintendent and will furnish the students and teacher advisor, if appropriate, with a copy of such statement. The Principal's statement shall indicate whether the advice of the Board attorney was to proceed or not to proceed with restraint of the material.

### **Student Mobile Device Possession (includes any electronic communication device)**

- **Under no circumstances are students to physically connect to any port or District-owned device while on School Board property through Ethernet cables, USB cables, Paralink cables, etc., or to connect by Ad Hoc mode to any other district-owned device.**
- Your child may bring a **mobile device** to school.
- For safety and security, students are strongly encouraged to secure **mobile devices** in a purse, book bag, etc.
- Student **mobile devices** must not make any sound during the school day (including time on the bus).
- *Except as permitted in designated instructional and <sup>SR</sup><sub>Consented</sub> areas*
  - The **mobile device** must be turned off and not used at all during the school day.
  - The **mobile device** must be kept completely out of sight.
- *Outside of designated instructional and <sup>SR</sup><sub>Consented</sub> areas*
  - If a **mobile device** is seen or heard during the school day, it may be confiscated.
  - If it falls out of a pocket accidentally, it may be confiscated.
  - Use of a **mobile device** or improper storage during the school day will result in disciplinary action (below).
- A **mobile device** may be held until a parent/guardian picks it up or makes arrangements with school officials.
- Parents who need to reach their child (or vice versa) should communicate via the Front Office only.
- A student may only use a **mobile device** on a school bus during a life-threatening emergency or as directed by the official in charge.

### **Students acknowledge that**

- Students are required to access the Internet only through district-provided, filtered networks. Under no circumstances are students to use any device (e.g., air card, smart phone, Palm, 3/4/5G-capable device or other Internet data device) to bypass this requirement.
- Bringing on premises or infecting the network with a Virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information is in violation of Policy.
- Processing or accessing information on school property related to “hacking”, altering, or bypassing network security policies is in violation of Policy.
- The school district has the right to collect and examine any device that is suspected of causing problems or was the source of an attack or virus infection.
- While permission is granted for texting, texting for reasons other than instructional is still prohibited.
- While many mobile devices provide file storage, they must not be physically attached to district hardware for file exchange or other purposes (see 2<sup>nd</sup> paragraph of previous page). Files may have to be saved on the C drive of a laptop, a jump drive, an external drive, or another media device.
- Printing from personal laptops or other mobile devices will not be possible at school.
- Personal technology is charged prior to bringing it to school and runs off its own battery while at school.
- ***Neither the school nor School District will provide technical support for any personal electronic device.***
- ***The student is solely responsible for personal property and neither the school nor School District shall bear any responsibility for lost, damaged, or stolen property brought by a student.***

### **Student With A Disability**

A student with a disability refers to any student identified as disabled in accordance with the Individuals with Disabilities Education Act Revised and/or Section 504 of the Rehabilitation Act of 1973. If a student with a disability has an individual Positive Behavior Intervention Plan (PBIP), then the **PBIP supersedes the Student Code of Conduct** and the student will be disciplined in accordance with the procedures delineated in his/her Positive Behavior Intervention Plan. By the 10<sup>th</sup> day of Out Of School Suspension, a student with an IEP/or 504 Plan must have a Manifestation Determination Hearing. Manifestation Hearing members will consist of LEA representative, ESE teacher, General Education teacher, Administrator, parent, and student. Students with an IEP/504 Plan may not be suspended greater than 10 days without educational services based on IEP.

### **Tobacco-Free School District Policy**

Santa Rosa District Schools are “**Tobacco-Free**” per School Board Policy 2.90. To comply with the Florida Clean Indoor Air Act and to set a positive, healthy example for students, **the use of tobacco products (both smoking and non-smoking) is prohibited in any facility or on any real or personal property** owned by or under the control of the Santa Rosa School Board.

**The “Tobacco-Free” policy extends to any person on School Board property.** If the person is not a School Board employee, the following actions will be taken:

- Step 1: The person will be informed of the “Tobacco-Free” policy and asked to discontinue use of the tobacco product.
- Step 2: If the person refuses, he/she will be asked to leave the campus.
- Step 3: If the person continues to refuse, additional measures will be addressed by administrative personnel and/or law enforcement.

### **Trespassing Upon Grounds or Facilities of a School**

Any person who does not have legitimate business on the campus or any other license or invitation to enter or remain upon the school property or who is a student currently under out-of-school suspension, expulsion, or alternative placement in lieu of expulsion and who enters or remains upon the campus or any other facility owned by the school, commits a trespass upon the grounds of a school facility and is guilty of a misdemeanor of the second degree.

Any person who enters or remains upon the campus or other facility of a school after the Principal of the school or his/her designee has directed such person to leave the campus or facility or not to enter the campus or facility, commits a trespass upon the grounds of a school facility and is guilty of a misdemeanor of the first degree. Law enforcement will be notified with the occurrence of trespassing.

### **Textbook Fines Unpaid**

Any student who has not paid fees or charges related to the loss or damage of a textbook or completed prescribed community service hours if available in lieu of payment of such fees or charges, may be prevented from participating in extracurricular activities.

### **Vehicle Use by Students**

High school students only are permitted to bring and use vehicles on school campus. Each high school will have guidelines governing safe use of vehicles by students on school grounds. When a student is permitted to bring a vehicle on campus, the student assumes all responsibility for the vehicle and all contents found in the vehicle. (See Student detention, search and seizure)

### **Victimization**

Upon notification by the Department of Juvenile Justice that a *no contact order* has been issued by the court for the purpose of a juvenile offender not attending the same school or riding the same bus as the victim of the crime committed or as the siblings of the victim, the Superintendent, or his/ her designee, will determine the appropriate setting for delivery of educational services to the offender. If the delivery of educational services requires transportation which is beyond the existing transportation and would incur additional costs to the School District, then the offender, or the parents or legal guardians of the offender if the offender is a juvenile, shall be responsible for arranging and paying for transportation.

If it is determined that it is not possible to deliver educational services to the offender at a different school site from the victim or the siblings of the victim, then the School District and the Principal will take steps such as the use of in-school suspension of the offender, and the scheduling of classes, lunch or other school activities of the victim and the offender so as not to coincide, to keep the offender separated from the victim.

As a part of the Unsafe Schools Choice Option, when a student has been a victim of a felony violation or a violation that would be a felony if committed by an adult, pursuant to statutes that have been designated within the policy and the crime was committed upon school property or on school transportation, the student upon whom the crime was committed shall be permitted by the School Board, upon written request from the student's parent, or the student (if such student is an emancipated minor), to transfer to another comparable school determined by the School Board, if available. In order to be considered a violent criminal offense for the purposes of transferring to another school, it is necessary that the incident be reported to the appropriate law enforcement agency. The parent of the victim or the victim (if an emancipated minor) of any such designated felony crime may invoke the transfer option once the state attorney files charges against the offender. Any transportation for such students shall be provided in accordance with School Board policies.

### **Video Recording/Audio Taping for Disciplinary Purposes**

Students may be video recorded or audio taped on a school campus or while riding a Santa Rosa District school bus for disciplinary purposes by school officials. Such recordings will be subject to the same confidentiality rules as other student records.

### **Virtual Education**

- A. Open Enrollment for Part-Time or Full-Time Virtual Instruction: Any qualifying student in grades K-12 may choose to become a part-time or full-time public education virtual student through our district's Virtual Instruction Program (Grades K-12) or through our partnership with Florida Virtual School (Grades 6-12). Open enrollment will take place from April 15 – July 31 each year prior to the beginning of the school year in August. Late registration will continue through the first two weeks of the school year if space is available. Interested parents should contact Patti Peacher, Coordinator of Virtual Education Programs, at 850-981-7860.
- B. Accelerated Virtual Option for Elementary Students: Any current elementary school student who scored a level 4 or 5 on FCAT Reading or Mathematics during the 2012-2013 FCAT administration and scores an 80% or higher on the district's placement exam will have the opportunity to take accelerated courses in Reading and Mathematics through Florida Virtual School. Because these accelerated courses are a part of the Middle School (Grade 6) curriculum in Florida Virtual School, the course content will be much more advanced than that of the elementary school. Any student who successfully completes both segments of M/J Reading or M/J Mathematics 1 with a "B" or higher will be able to accelerate to the next course when he or she enters middle school. If you are interested in exploring this possibility further, please contact Patti Peacher, Coordinator of Virtual Education Programs, at 850-981-7860.

### **Voluntary School Assignment (refer to the School Choice Plan)**

The voluntary transfer by parent request of a student from one school to another, pursuant to Policy 5.20, may be revoked and the student returned to his/her zoned school of attendance if tardiness, unexcused absences or behavior/discipline problems develop at the receiving school.

### **Weapons**

- A. In accordance with the Gun-Free Act of 1994, a part of Public Law 103-382, a student who brings a weapon as defined in this policy to school or any setting associated with a school function is to be expelled from school for a period of not less than one full year (12 months). In addition, school officials shall be required to refer all such incidents to the criminal justice or juvenile delinquency system.
- B. In reference to this Act, a weapon is defined to include:

A student shall be required to show proof of completion/ participation as part of disciplinary procedures, partial criteria for "Early Termination of an Alternative Placement", or requirement for continued enrollment.   - a. If a Principal determines that a student with a disability has engaged in a behavior that warrants alternative placement or expulsion (a disciplinary hearing), he/she shall contact the Director of Exceptional Education and request an Individual Education Plan (IEP)/Section 504 Accommodation Plan meeting be conducted. The meeting shall be held to make a manifestation determination and if determined by the IEP Team a Functional Behavior Assessment (FBA) and/or Behavioral Intervention Plan (BIP) may be developed.
  - b. If the team determines that the student's misconduct **is** a manifestation of the student's disability, a review of the student's IEP/Section 504 Accommodation Plan shall be conducted and an appropriate alternative implemented. A guardian/student may request a recommendation to the Disciplinary Hearing Committee for a due process hearing regardless of the manifestation decision.
  - c. If the misconduct **is not** a manifestation of the student's disability, then the student will be recommended to the Disciplinary Hearing Committee for a due process hearing. Exceptional students may be recommended for removal from the regular school with the continued provision of services in accordance with the student's IEP. A student identified disabled under Section 504 shall be afforded disciplinary action to the same extent that such disciplinary action is taken against non-disabled students.
  - d. Schools can recommend placement in an alternative education setting for up to forty-five (45) school days for students with a disability, irrespective of the manifestation determination decision (i.e., even if the offense is determined to be related to the disability) if the child engages in the following behaviors:
    1. carries or possesses a weapon to or at school, on school premises, or to or at a school function;
    2. knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function.
    3. has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.

According to 34 CFR 300.530(i)(3), the term "serious bodily injury" is defined as:

- a substantial risk of death
- extreme physical pain
- protracted and obvious disfigurement
- protracted loss or impairment of the function of a bodily member, organ or mental faculty

Within the 45 school day placement, an IEP review will be conducted to determine continuation of services in an alternative education setting or the return to placement in the former school setting. Placement will be recommended based upon the outcome of the earlier manifestation determination and, if appropriate, recommendation of the Disciplinary Hearing Committee.

## C. Procedures:

1. The Principal or his/her designated representative shall conduct an investigation into the charges and shall obtain a written and signed statement from any witness immediately after the incident.
2. The Principal or his/her designated representative shall hear and consider the student's defense and/or explanation of his/her conduct before making any decision and if removal is appropriate, shall explain to the student the reasons for recommending removal from the school.
3. A written notice of the recommendation for a Disciplinary Hearing, including a detailed report of alternative measures taken prior to the recommendation, shall be sent by mail to the parent/guardian as well as an attempt to contact the parent/guardian via telephone. A written copy of the notice and report shall be sent to the Superintendent and the appropriate Grade Level Director. The requested length of removal of the student from the regular school program shall be included in the written notice and shall not exceed the remainder of the current school year and one (1) additional year.
4. A Disciplinary Hearing Committee consisting of a minimum of four (4) of the following: the Director of Elementary Education, the Director of Middle School Education, the Director of High School Education (in the absence of the Director, a district grade level representative may be present for the previous three), the Director of Work Force

Education, the Assistant Superintendent of Curriculum and Instruction, the Director of Alternative Education, a representative of Student Services, and a representative of the District's Exceptional Student Education staff will review each recommendation in a due process hearing, and the student has the right to:

- a. appear with counsel.
  - b. confront and cross-examine.
  - c. be heard by an impartial tribunal.
  - d. receive a CD of the proceedings.
  - e. appeal.
5. The Disciplinary Hearing Committee will hear all pertinent information relating to the recommendation for the student's removal from school. The committee may then make a recommendation to the Superintendent for the expulsion of the student or a recommendation for an alternative placement. Any member of the committee who has participated in the investigation shall abstain from voting on the recommendation, but may otherwise participate in the hearing.
  6. If the Disciplinary Hearing Committee's recommendation is for alternative placement or expulsion with continuing educational services, the Superintendent will notify the parent/guardian by mail for continued education services in an alternative program. A form will be provided for the parent/guardian and student to accept the educational services offered, indicate other educational services the parent/guardian will provide through home education or non-public school or request the action proceed to a hearing before the School Board.
  7. A student who has been given an alternative placement or expulsion with continuing educational services is not allowed on any School Board property without prior permission from the school's administration. Violation will be considered trespassing. Seniors who are alternatively placed or expelled during the second semester/term of their senior year will not be allowed to participate in graduation activities.

- **Expulsion Without Continuing Educational Services**

- A. **Definition:** Expulsion is the removal of the right and obligation of a student to attend a public school for a period of time and under conditions set by the School Board not to exceed the remainder of the school year and one (1) additional year of attendance.
- B. **Conditions:**
  1. The Principal or his/her designated representative may recommend to the Superintendent that a Disciplinary Hearing be conducted regarding the removal of a student from the regular school program when a student has committed a serious breach of conduct.
  2. Expulsion/alternative placement of a **student with a disability and Individual Education Plan** constitutes a change in educational placement, not an exclusion from educational services. A free appropriate public education must be available to all disabled children with an Individual Education Plan (IEP) residing in the state between the ages of 3 and 21, including children with disabilities who have been suspended or expelled. Services do not have to replicate all of the services and instruction a student would have received had he/she stayed in school. Procedures will follow those outlined in "Alternate Placement/ Expulsion with Continuing Educational Services" regarding students with an identified disability.
- C. **Procedures:**
  1. The Principal or a designated representative shall conduct an investigation into the charges and shall obtain a written and signed statement from any witness immediately after the incident.
  2. The Principal or a designated representative shall hear and consider the student's defense and/or explanation of his/her conduct before making a final decision, and if removal is appropriate, shall explain to the student the reasons for recommending removal from school.
  3. A written notice of the recommendation for a Disciplinary Hearing, including a detailed report of alternative measures taken prior to the recommendation, shall be sent by mail to the parent/guardian as well as an attempt to notify the parent/guardian via telephone. A written copy of the notification will be sent to the Superintendent and the appropriate Grade Level Director. The requested length of removal of the student from the regular school program shall be included in the written notice and shall not exceed the remainder of the current school year and one (1) additional year.

4. A Disciplinary Hearing Committee consisting of a minimum of four (4) of the following: the Director of Elementary Education, the Director of Middle School Education, the Director of High School Education (in the absence of the Director, a district grade level representative may be present for the previous three), the Director of Work Force Education, the Assistant Superintendent of Curriculum and Instruction, the Director of Alternative Education, a representative of Student Services, and a representative of the District's Exceptional Student Education staff will review each recommendation in a due process hearing, and the student has the right to:
  - a. appear with counsel.
  - b. confront and cross examine.
  - c. be heard by an impartial tribunal.
  - d. receive a CD of the proceedings.
  - e. appeal.
5. The Disciplinary Hearing Committee will hear all pertinent information relating to the recommendation for the student's removal from school. The committee may then make a recommendation to the Superintendent for the expulsion of the student. Any member of the committee who has participated in the investigation shall abstain from voting on the recommendation, but may otherwise participate in the hearing.
6. If the Disciplinary Hearing Committee's recommendation is for a student's expulsion, the Superintendent will notify the parent/guardian by mail of the specified date and place of the School Board meeting and the scheduled time of the expulsion hearing to act on the Superintendent's recommendation.
7. A student who has been expelled/alternatively placed is not allowed on any School Board property without prior permission from the school's administration. Violation will be considered trespassing.

#### **EARLY TERMINATION OF ALTERNATIVE PLACEMENT**

- A. **Definition:** Reduction of the number of days a student has been alternatively placed through School Board action.
- B. **Conditions:** The student must remain alternatively placed for a period no less than the remainder of the grading period in which the offense occurred plus one additional grading period. The school board must approve the action to return the student to the school site. Approval of an Early Termination of Alternative Placement is contingent upon criteria set forth in the "Procedures" section.
- C. **Procedures:** To be considered for Early Termination the following procedures must be followed:
  1. If the student is enrolled at the Learning Academy of Santa Rosa, the District will request a report evaluating the student in three areas: Attendance, Behavior, and Grades.
  2. The student must receive a good evaluation in all three areas (attendance, behavior and grades).
  3. The student must also have the Director of the Learning Academy recommend an early termination for the student's placement.
  4. In addition, the student must not have any arrests, charges, or pending court action.
  5. In addition, the Principal of the school in which the offense occurred must agree to allow a recommendation of early termination as well as allow the student to return to the school. If the student has moved or has matriculated to another school (due to promotional requirements), the Principal of the school in which the offense occurred as well as the receiving school's Principal must both agree to an early termination recommendation.
  6. Once the Principal (s) have agreed to an early termination based upon the student's evaluation then the grade level director will petition the School Board for an Early Termination of Alternative Placement for the student.
  7. If the student is not enrolled in the Learning Academy then it is incumbent upon the parent/guardian of the student to provide the Grade Level Director the following information for consideration of an early termination: transcript of grades, letter of character reference from a non-family member, and a letter of apology from the student regarding his/her offense and future actions. The Principal of the school in which the offense occurred and the Principal of the receiving school (if different) must agree to consideration of early termination as well as receiving the student into the school. Once the Principal (s) have agreed to an early termination based upon the student's evaluation then the Grade Level Director will petition the School Board for an Early Termination of Alternative Placement for the student.
  8. If the student receives an Early Termination of Alternative Placement from the School Board, the student and parents must meet with the Principal or his/her designee to enact a contract for the student's return to the school.

9. The Principal at the student's zoned school may delay the enrollment in order to ensure the student reenters the school at the beginning of a grading period or semester. The student is required to remain enrolled in their current educational choice until they are able to reenroll at their zoned school in order to avoid truancy issues.
10. Students who have chosen an on-line option as an educational choice must remain in the on-line courses, and will not be eligible to return to their zoned school until those courses have been completed.
11. If a student does not meet the terms of the contract, the school may return the student to the Learning Academy (or other parent choice educational option) for the duration of the original year of Alternative Placement.

## **FELONY OR FELONY ACT**

- A. **Definition:** Felony acts are any delinquent acts which would be a felony if committed by an adult.
- B. **Conditions:** Any student who commits a felony act on public school property or property other than public school property and if, in the opinion of the school administrator, the student's attendance at school will have an adverse impact on the educational program, discipline, or welfare of the school in which the student is enrolled, the student's right and obligation to attend school may be temporarily or permanently removed.
- C. **Procedures:**
  1. **Arrested:** Any student who is arrested for a felony act may be suspended from school for a period not to exceed ten (10) days if, in the opinion of the school administrator, the student's attendance would adversely impact the school. Such suspension shall not affect the delivery of educational services to the student, and the student shall be immediately enrolled in a daytime or evening alternative educational program. A student with a disability or a Section 504 Plan who has been suspended from school for a total of ten (10) school days must be afforded a manifestation determination hearing prior to the culmination of the ten (10) day period. The IEP committee, including the student and his/her parents, will determine which services are needed to provide a free, appropriate public education in order to progress in the general curriculum and achieve his or her IEP goals and objectives.
  2. **Charged:** Any student who is formally charged with a felony act may be suspended from school indefinitely or have his or her suspension to continue until the determination of guilt or innocence or until the charges are dismissed if, in the opinion of the school administrator, the student's attendance would adversely impact the school. Such suspension shall not affect the delivery of educational services to the student, and the student shall be immediately enrolled in a daytime or evening alternative educational program. A student with a disability or a Section 504 Plan who has been suspended from school for a total of ten (10) school days must be afforded a Manifestation Determination Hearing prior to the culmination of the ten (10) day period. The IEP committee, including the student and his or her parent/guardian, will determine which services are needed to provide a free, appropriate public education in order to progress in the general curriculum and achieve his or her IEP goals and objectives.
  3. **Conviction of a Felony:** Any student who has been charged and found guilty of a felony will be afforded a hearing with parent/guardian present to determine whether the student's continued attendance will adversely impact the school; the hearing may result in continuance or expulsion.
  4. **Adjudicated Delinquent:** Any student who has been adjudicated delinquent for committing a felony act will be afforded a hearing with parent/guardian present to determine whether the student's continued attendance will adversely impact the school; the hearing may result in continuance or expulsion.
  5. **Adjudication Withheld:** Any student who has had adjudication withheld for committing a felony act will be afforded a hearing with parent/guardian present to determine whether the student's continued attendance will adversely impact the school; the hearing may result in continuance or expulsion. A hearing must be held prior to a recommendation for expulsion.
- D. **Extra-Curricular Activities:**

**Procedures:**

  1. **Arrested:** Any student who is arrested for a felony act may be suspended from participation in extra-curricular activities if, in the opinion of the school administrator, the student's continued participation in extra-curricular activities would adversely impact the school.

2. Any student who has been **charged**, (per accompanying documentation from the state attorney's office), will not be eligible nor permitted to publicly represent the school or the School District in any extra-curricular activity until a court rendering.
3. Any student who has been **convicted of a felony, adjudicated delinquent or had adjudication withheld** will not be eligible nor permitted to publicly represent the school or the School District in any extra-curricular activity for the balance of the school year.
4. A report of an alleged violation of this standard of conduct shall be submitted to the Principal or designee for investigation. If the Principal or designee determines that a violation has occurred, the student and his parent or legal guardians shall be notified in writing of the suspension from school sponsored extracurricular activities.

## **SECURED SECLUSION/ RESTRAINT**

Through legislative reviews and continual safety, Florida State Legislation has approved the need for all restraint and secured seclusion procedures to be performed:

**Section 393.067, Section 393.13, Section 1004.55, Section 1003.573, Section 1012.582**

### **Definitions:**

The Office of Civil Rights (OCR) now requires that the Department report all instances of restraint and seclusion for all students (not just those with disabilities). In order to meet this requirement, three (3) elements were added to the automated student database using the definitions issued by OCR. To remain consistent, the same definitions will be used for the web reporting of restraint/ seclusion incident reporting of students with disabilities. The definitions included in the database are as follows:

**Mechanical Restraint:** The use of any device or equipment to restrict a student's freedom of movement. The term does not include devices implemented by trained school personnel or devices utilized by a student that have been prescribed by an appropriate medical or related service professional and are used for the specific and approved purposes for which such devices were designed, such as:

- Adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment to allow greater freedom of mobility than would be possible without the use of such devices or mechanical supports
- Vehicle safety restraints when used as intended during the transport of a student in a moving vehicle
- Restraints for medical immobilization
- Orthopedically prescribed devices that permit a student to participate in activities without risk of harm

**Physical Restraint:** A personal restriction that immobilizes or reduces the ability of a student to move his or her torso, arms, legs, or head freely. The term physical restraint does not include a physical escort. Physical escort means a temporary touching or holding of the hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location.

**Seclusion:** The involuntary confinement of a student alone in a room or area from which the student is physically prevented from leaving. It does not include a timeout, which is a behavior management technique that is part of an approved program, involves the monitored separation of the student in a non-locked setting, and is implemented for the purpose of calming.

These definitions may also be found on the Department of Education website at [http://www.fldoe.org/eias/dataweb/database\\_1011/st81\\_1.pdf](http://www.fldoe.org/eias/dataweb/database_1011/st81_1.pdf).

### **Procedures:**

#### **Teacher and Administration Responsibility**

1. Teacher will have the form ***Parental Notification of the Use of Secured Seclusion and/or Restraint*** (Attachment 1) signed by a parent for any student who has exhibited aggressive behaviors toward themselves or others. This student will have a Behavior Intervention Plan (BIP) in place.

**Forms can also be found on:** [http://www.santarosa.k12.fl.us/ese2/P2\\_Resources1/Resources1\\_Home.html](http://www.santarosa.k12.fl.us/ese2/P2_Resources1/Resources1_Home.html)

2. Once a student has initiated harm to himself or others and all non-violent intervention and de-escalation techniques have been exhausted, a person certified in Non-Violent Crisis Intervention (CPI) will initiate secured seclusion and/or restraint.
3. When secured seclusion/restraint is initiated, there will be at least one other adult to assist with the seclusion/restraint and/or documentation of duration of incident, personnel involved in the incident, anecdotal records of the incident, etc. When possible, school administration should be called immediately upon the use of secured seclusion/restraint.

4. Once the secured seclusion/restraint incident has ended, the supervising teacher will notify the school administration immediately (unless this has been done in Step 3) and will brief administration on the situation using the form **Preventive Strategies Utilized before Secured Seclusion and Restraint** (Attachment 2).

**Forms can also be found on:**

[http://www.santarosa.k12.fl.us/ese2/P2\\_Resources1/Resources1\\_Home.html](http://www.santarosa.k12.fl.us/ese2/P2_Resources1/Resources1_Home.html)

5. By the end of the day of the incident, administration will complete the **Parent Written Notice for the Use of Secured Seclusion and/or Restraint** form. Administration will then make at least two (2) attempts to notify parent, through email and/or phone, regarding the use of seclusion/restraint. Administration will also ensure that the form is sent home with the student at the end of the day. Parent signature must be obtained and the signed form returned to the school. **Forms can also be found on:** [http://www.santarosa.k12.fl.us/ese2/P2\\_Resources1/Resources1\\_Home.html](http://www.santarosa.k12.fl.us/ese2/P2_Resources1/Resources1_Home.html)
6. If the signed **Written Notice** form (Attachment 3) is not returned, the administrator will send a 2nd copy through certified mail and/or by a school social worker for signature. All attempts will be documented on the form.
7. Within 24 hours, supervising teacher will complete the electronic version of the form **Santa Rosa District Incident Report for Secured Seclusion and/or Restraint** (Attachment 4) and send it via email to the supervising school administrator. NOTE: Best practice for documenting the Restraint and Secured Seclusion for Santa Rosa County incident would be that the document is completed by the end of the workday to ensure that all facts of the incident are recorded accurately.

**Forms can also be found on:** [http://www.santarosa.k12.fl.us/ese2/P2\\_Resources1/Resources1\\_Home.html](http://www.santarosa.k12.fl.us/ese2/P2_Resources1/Resources1_Home.html)

8. Within 24 hours of receiving the teacher's report, supervising school administrator will review for accuracy and completeness. Information will then be transferred from the Santa Rosa County District **Incident Report** form (Attachment 4) to the state's Secured Seclusion and Restraint database and **SAVED AS DRAFT by the administrator**. Website can be found at: <https://app1.fldoe.org/ESE/RestraintSeclusionIncident/Default.aspx>
9. Once state report has been completed and saved as a draft, supervising school administrator will immediately contact Santa Rosa District ESE Program Facilitator for Behavior via email.
10. Within 24 hours of receipt, Santa Rosa County District ESE Program Facilitator for Behavior will email confirmation of receipt and indicate any changes/additions needed.
11. The supervising school administrator will review and print the state report. The report will be mailed to the parent of the student within three (3) days of the incident.
12. Parent will sign and return the **Incident Report** form (Attachment 4). All signed incident reports will be placed within the cumulative file on the left side of the ESE or Section 504 folder.
13. If the signed **Incident Report** form (Attachment 4) is not returned, the administrator will send a 2nd copy through certified mail and/or by a school social worker for signature. All attempts will be documented on the form.

## **COMPLAINT/GRIEVANCE PROCEDURE**

### **(School Related Problems not Connected to Suspension or Expulsion)**

A student or parent/guardian on behalf of their minor child shall have the opportunity to question and register a complaint/grievance regarding a decision made by any school employee. The opportunity to question included decisions perceived by the student to be discriminatory on the basis of race, color, religion, gender, age, marital status, disability, political or religious beliefs, national or ethnic origin, or social and family background, regarding any phase of educational programs, activities, application of rules of behavior, sanctions, or treatment. This procedure may be used to file a formal complaint under the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title IX of the Educational Amendments of 1972, and McKinney-Vento Homeless Education. It is the aim of these procedures to settle a complaint/grievance at the lowest possible level. The following procedures shall be used to submit a complaint/grievance:

- A. **Informal:** If the student wishes to question a decision of any school employee, the student shall first request an appointment to discuss the issue with the employee concerned and/or a school site administrator at a time other than regular class time. The appointment shall be requested within 60 calendar days of the incident of concern.
- B. **Formal:** If the student is not satisfied after discussing the issue with the employee and/or school site administrator, the student may submit an appeal in writing to the Principal of the school or the Assistant Superintendent of Curriculum and

Instruction to review the matter. Such an appeal shall be submitted within ten (10) calendar days of the informal step described above.

1. The Principal or Assistant Superintendent of Curriculum and Instruction shall investigate the problem and shall render a decision. Such investigation may include interviews with the student, at which the student may have parents/guardians or representation present. The decision shall be given to the student in writing within ten (10) calendar days of the written notice of appeal.
2. If the student is not satisfied with the decision of the Principal or Assistant Superintendent of Curriculum and Instruction, the student may appeal the decision in writing to the Superintendent within five (5) school days of the decision. The Superintendent or designee must respond in writing within five (5) school days of receipt of the appeal.
  - A. If the student is not satisfied with the decision of the Superintendent within five (5) school days of the decision the student must notify the Superintendent of a request of an appeal hearing before the School Board. Scheduling of a hearing before the School Board will be in compliance with applicable School Board policies.

- C. **Further Possible Appeals:** If the individual filing the complaint is not satisfied with the decision of the School Board, a complaint may be filed with the Florida Department of Education. In addition, complaints alleging discrimination under the ADA, Section 504, or Title IX may be filed with the Office of Civil Rights, U.S. Department of Education, within 180 days of the alleged discrimination.

No student shall be retaliated against in any manner for filing a complaint/grievance regarding conduct which is believed to be in violation of District and/or school policy or for participating in an investigation of a possible violation of District and/or school policy. Confidentiality will be ensured to the greatest extent possible.

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF FLORIDA

MINOR I. DOE, et al.;  
Plaintiffs,

v.

SCHOOL BOARD FOR SANTA  
ROSA COUNTY, FLORIDA; et al.;

Defendants.

No.: 3:08-cv-361 MCR/CJK

**FIRST AMENDED CONSENT DECREE AND ORDER**

On August 27, 2008, Plaintiffs MINOR I DOE and MINOR II DOE filed a Complaint asserting claims pursuant to 42 U.S.C. §1983 against Defendants SCHOOL BOARD FOR SANTA ROSA COUNTY, FLORIDA ("School Board"), JOHN ROGERS, in his official capacity as Superintendent of the School District of Santa Rosa County, Florida (who has subsequently been replaced by Tim Wyrosdick) ("Superintendent"), and H. FRANK LAY, in his official capacity as Principal of Pace High School (who has subsequently been replaced by Bryan Stephen Shell) (collectively "Defendants"). The Defendants admitted liability for the claims in the Complaint and for the violations of the U.S. Constitution's Establishment Clause and the Florida Constitution's No-Aid Provision. To avoid further costly and protracted disputes, the parties agreed voluntarily to the original Consent Decree and Order entered on May 6, 2009, and now wish to agree, as indicated by the signatures below, to this First Amended Consent Decree and Order (hereinafter "Order").

The Court reviewed the claims as to which the Defendants have admitted liability and the terms of their agreement set out in this Order, which the parties have together reached. Other than this Court's rulings and findings made elsewhere regarding the original Consent Decree and those specifically made here regarding this Order, the Court does not here decide any new legal or factual dispute concerning the matters presented herein. In adopting this Consent Decree, the Court has ensured it comports with the U.S. Constitution, which prescribes the floor beneath which protections may not fall rather than a ceiling. Concluding that the terms of the parties' Agreement are appropriate under the circumstances presented and that the entry of this Order comports with federal constitutional law, the Court therefore

## ORDERS, ADJUDGES, and DECREES as follows:

1. Some of the Defendants' District-wide policies, practices, and customs alleged in the Complaint violate the Establishment Clause of the First Amendment to the U.S. Constitution and the "No Aid" provision of the Florida Constitution. Some of the Defendants' policies, practices, and customs (a) endorse and promote religion and (b) have the purpose or effect of advancing religion.
2. The Consent Decree and Order entered on May 6, 2009, is hereby amended. This Order replaces that original Consent Decree and Order. The Court finds that, as it previously held with respect to original Consent Decree and Order, this Order is "plainly legitimate because it expressly applies to official capacity conduct and remedies admitted Establishment Clause" violations. *Doe v. School Board for Santa Rosa County*, 264 F.R.D. 670, 687 n. 31 (N.D. Fla. 2010).

This Order shall be included in the District's "Code of Student Conduct" or substantially equivalent publication.

11. The Defendants shall continue to maintain a process for the investigation of student initiated complaints.

12. This Court retains jurisdiction of this case to enforce the terms of this Order.

13. **Attorneys' Fees, Costs, and Litigation Expenses:** Pursuant to (a) 42 U.S.C. §1988, (b) Rule 54, Federal Rules of Civil Procedure, and (c) Rule 54.1. Local Rules of the Northern District of Florida, this Court concluded that the Plaintiffs are the prevailing parties on all claims filed in this matter. The Court concluded that the Defendants are liable (as the term is used in N.D. Fla. Loc. R. 54.1 (C)) for the Plaintiffs' reasonable attorneys' fees, costs, and litigation expenses in accordance with applicable law. The parties reached an agreement on the amount of attorneys' fees, costs, and litigation expenses, including those for any monitoring, through June 30, 2011, which the Defendants paid.

14. The Clerk entered Judgment in favor of the Plaintiffs, Minor I Doe and Minor II Doe, and against the Defendants. Judgment (DE 96). Defendants paid Minor I Doe damages in the amount of \$1.00. Defendants paid Minor II Doe damages in the amount of \$1.00.

16. This Order shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, successors, and assigns.

17. This Order is designed to ensure that the School District's practices and policies do not violate, either currently or in the future, the First Amendment rights of students in the School District. The parties to this Order shall endeavor in good faith to resolve informally any differences regarding interpretation of and compliance with this Order before bringing such matters to the Court for resolution. On the Plaintiffs' counsel's request, the Superintendent shall provide information reasonably available to him so that the Plaintiffs' counsel may ensure the School Officials' compliance with this Order and evaluate in context the Defendants' guidance and interpretation of this Order and their enforcement efforts with respect to this Order. However, in the event that the Defendants either fail to perform in a timely manner any act required by this Order or act in violation of any provision of this Order, each Plaintiff or any affected student-present or future-who alleges a violation may contact the Plaintiffs' counsel. As may be appropriate, counsel may then move the Court to impose any remedy authorized by law or equity, including, but not limited to, an order requiring performance or non-performance of certain acts.

18. The Defendants, their agents, representatives, successors, and assigns shall take no action that would disclose the identities of the Plaintiffs, including the release of filed or unfiled court documents, or otherwise compromise the Plaintiffs' anonymity until May 6, 2014.

19. On or about May 6, 2014, the parties shall contact the Court to discuss the need for further continuation of the Order.

### **WHAT IS SAFE PLACE?**

Safe Place is a community program that sets up public locations as a network of places where youth in crisis can get immediate help.

### **HOW CAN I RECOGNIZE A SAFE PLACE?**

Bright yellow and black diamond-shaped signs or decals identify Safe Place sites.

### **WHAT TYPE OF PLACES ARE SAFE PLACE SITES?**

Fire stations, YMCAs, Boys and Girls Clubs, libraries, fast food restaurants, convenience stores, other businesses and buses (as mobile Safe Places) all serve as Safe Place sites in different communities. Look for the Safe Place sign.

### **WHO SHOULD USE SAFE PLACE?**

Any youth under 18, in a crisis situation, can get help at a Safe Place site. If you are having problems at home, are suffering from abuse or neglect, are lost or in some dangerous situation on the street, are with a drunk or unsafe driver, or just need someone to talk to about a problem -- go the nearest Safe Place site.

### **WHAT IF I GO TO A SAFE PLACE SITE THAT ISN'T OPEN?**

Most Safe Place sites have a Safe Place decal that says, "If Closed call..." and gives the local number to contact. If the decal is not there, you can look for another Safe Place site that is open or call the local community crisis line or 453-2772.

### **WHAT HAPPENS WHEN I GO TO A SAFE PLACE?**

Just tell one of the employees that Safe Place is the reason you are there. They will find you a safe, comfortable spot for you to wait until someone comes from Safe Place to talk with you.

### **WHAT HAPPENS WHEN THE PERSON FROM SAFE PLACE ARRIVES?**

The Safe Place employee will talk to you and help you figure out what to do. The Safe Place representative will be happy to take you to a shelter or counseling agency where counselors will be willing to help you.

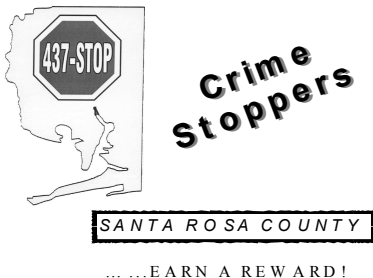

### **ONCE I GO TO A SAFE PLACE SITE, DO I HAVE TO GO TO A SHELTER?**

No. Your decision to go to the shelter is voluntary. At the shelter, no one will force you to stay. The decision is always yours.

### **WILL MY PARENTS (OR GUARDIANS) BE TOLD WHERE I AM?**

Yes. By law, the agency has to contact your legal guardians to let them know that you are safe. Remember that the counselors will be there as objective third parties if your parents/guardians come in. If you have made any allegations of physical abuse, child protective services will be contacted.

### **REPORT A CRIME...**

### **How to Call a Tip to Crime Stoppers:**

1. Call the Crime Stoppers Tip line at **437-STOP (7867)**.

**DO NOT GIVE YOUR NAME.** Say you are calling with a tip.

2. Give the information you have relating to a wanted fugitive or criminal activity in your school or community. You may be asked some questions regarding your tip, but you will NOT be asked to reveal your name or any other information relating to your identity.

3. You will then be instructed to check in weekly by calling 437-STOP and asking for the status of your tip using the special code provided at the time of your initial call. Your code number is your only link to the status of your tip. It is your responsibility to remember and protect that code number.

4. Should your tip lead to an arrest, apprehension or prevention of a crime, you will be provided with specific instructions for collecting your reward. Rewards are paid in cash and must be picked up within six months of the award date.

**REMEMBER – DO NOT REVEAL YOUR NAME, TELEPHONE NUMBER, ADDRESS OR ANY OTHER INFORMATION RELATING TO YOUR IDENTITY. RELAYING ANY IDENTIFYING INFORMATION MAY DISQUALIFY YOU FROM REWARDS.**
