RE: Request to Advertise for Public Hearing  
*2014 – 2015 Student Progression Plan*

The process of revision of the *Student Progression Plan* has begun as we prepare for 2014-2015. As you are aware, the process cannot be completed until the Legislative session is completed and we can include any changes needed from bills that are passed. However, we begin the process early in order to allow time for advertisement for a public hearing and to then request School Board approval so that printing of the document can be completed for the beginning of school. It is requested that the School Board approve the advertisement for a public hearing to be conducted at the School Board meeting on July 24, 2014 at 6:30 PM.

I have enclosed a copy of the advertisement for public hearing, a first draft and a summary of the proposed changes at this point. I have also enclosed a copy of the timeline for the work on the revisions in preparation for the July 24th meeting. As you review the first draft, if you have concerns for possible needed revisions, please call David Gunter by June 18th so that consideration may be given to the suggestions prior to preparation of the final draft.

Your support is always appreciated in both the preparation of this document and in the enforcement of the policies established to create a safe and secure learning environment for our school children and employees.
