

## Santa Rosa County District Grant Synopsis

Submitted by: Linda S. Novota, Director of Exceptional Student Education

Name of Grant, Contract or Memorandum of Agreement:

IDEA, Part B, Entitlement

☒ Continuation Grant    ☐ Update Grant    ☐ New Grant

What the grant will accomplish and the target groups to be served: The IDEA Part B grant will supplement and target ESE students, teachers and parents regarding special needs regarding personnel, training, materials and travel that exceed funding supplied by General Revenue. It will also support intervening activities for students not yet identified as eligible for exceptional student education. The IDEA Discretionary will promote parent education and awareness, to assist in building relationships between families of children with disabilities and school in their community. The grant will also support professional development and training opportunities for teachers, paraprofessionals, and other staff providing services.

Funds requested for this grant: \$5,339,157.68

\$5,022,980.00 (DOE Allocation)

\$ 316,177.68 (Estimated Roll Forward)

The amount of the grant last year: \$5,682,552.99
