RE: HOBBS MIDDLE SCHOOL-Kitchen Expansion

Dear Mr. Wyrosdick,

As per our last operational audit, I am formally requesting Phase III board approval for the Hobbs Middle School kitchen/cafeteria project. On Wednesday, July 2, 2014 the school district, architect, and all engineering disciplines participated in a Phase III coordination meeting. Minor changes to the Phase II plans were made resulting in no financial changes to the Phase II estimate that had previously been board approved.

Feel free to contact me if you should have any additional questions or concerns.

Sincerely,

Joey Harrell
Assistant Superintendent for Administrative Services
