Mr. Tim Wyrosdick, Superintendent
Santa Rosa County School District
5086 Canal Street
Milton, FL 32570

Dear Superintendent Wyrosdick:

The Bureau of Exceptional Education and Student Services is in receipt of your district's response to the preliminary findings of its 2011-12 Exceptional Student Education (ESE) Compliance Self-Assessment. This letter and the attached document comprise the final report for Santa Rosa County School District's 2011-12 Level 1 and Fall Cycle Level 2 self-assessment monitoring process. No findings of noncompliance or matrix cost factor discrepancies were identified by the district, nor by the Bureau during validation.

The results of district self-assessments are included in the state's Annual Performance Report (APR) and are used to inform oversight activities, including the selection of districts for on-site monitoring, and the local education agency (LEA) determinations required under section 300.603, Title 34, Code of Federal Regulations, which result in districts being identified as "meets requirements," "needs assistance," "needs intervention," or "needs substantial intervention."

We understand that the implementation of this self-assessment required a significant commitment of resources and appreciate the time and attention your staff has devoted to the process report. If you have questions regarding this process, please contact your assigned district liaison for monitoring or Patricia Howell, Program Director, at (850) 245-0476 or via email at patricia.howell@fldoe.org.

Sincerely,

A handwritten signature in blue ink that reads "Monica Verra-Tirado".
