Pam Smith
Director, Elementary Education
5086 Canal Street
Milton, FL 32570

Dear Mrs. Smith,

We are requesting your consideration to amend a portion of the Berryhill Elementary School Improvement Plan (SIP) due to the drastic changes with the Florida Standards, and other unknown factors regarding the Florida Standards Assessment this year.

We would like to replace the strategy of "after-school tutoring" in the "Students at Risk" section of the SIP. We would like to purchase supplementary materials instead that will serve the purpose of intervention strategies for "at risk students", as well as enhance the academic progress for all students. We have provided the current item found on our school's SIP, and the proposed text of the requested change as it should appear in the amended plan on the attached page.

The amendment request was approved by our School Advisory Council on January 28, 2015. We appreciate your consideration for this amendment request.

Sincerely,

Roger Golden
Principal

Amy Wilks
SAC Chairman

Roger Golden
Principal

Dawn Chapman
Assistant Principal

"It's Great to Be a Berryhill Bear!"

Area 6: At-Risk Section

6A. Students at Risk- Required for elementary and middle schools

Goal Area: Students at Risk	Number of students with 3 or more At-Risk Indicators as of August 18, 2014: 17	Number of students with 3 or more At-Risk Indicators as of May 29, 2015: 15	Person Monitoring Strategy	Method of Monitoring Strategy
