Professional Standards

- Professional Standards for school nutrition professionals is a key provision of the Healthy, Hunger-Free Kids Act of 2010 (HHFKA).
- The rule, requires a minimum amount of annual training hours for all state directors of school nutrition programs, school nutrition program directors, managers, and staff.
- Required training topic areas will vary according to position and job requirements.
- There are also minimum hiring standards for new state directors of school nutrition programs, and school nutrition program directors.
- Final rule will take effect on July 1, 2015

Safety First
