

## **Middle and High School Semester Exam Schedule for December 2015**

Middle and High school students will be taking semester exams on December 16<sup>th</sup>, 17<sup>th</sup>, and 18<sup>th</sup>. These exams count 20% of the student's semester grade for high school and 10% for middle school, as well as counting in employee evaluations in many situations. Because these exams are very important to students and teachers, the students will only take two exams each day and then the students will be released early to go home and prepare for the next day's exams. The early release schedule below has been approved by the transportation department. Breakfast and lunch should be served each day. Principals should coordinate with the Sodexo manager to work out grab and go lunches if desired.

There will be two exam periods each day of 70 minutes each along with some break time and a brief lunch session. Principals should contact grade level directors to discuss concerns. All exam periods will be the same length at middle and high for evaluation purposes.

Students attending **Locklin Tech** who are enrolled in secondary and dual enrolled courses will take their **Locklin Tech** semester exams on December 14<sup>th</sup> and 15<sup>th</sup>.
