

Santa Rosa County School District Pre-Kindergarten Programs

Monthly Report for the month of May 2016

Submitted to the School Board

From Mrs. Dawn Alt, Director of Pre-K Programs

EARLY CHILDHOOD DEVELOPMENT AND HEALTH SERVICES

Education

- Preschool students participated in graduation and end-of-year activities to celebrate completing Head Start and Voluntary Pre-Kindergarten. Families were given a ***Getting Ready for Kindergarten*** book that provides resources and activities that will assist them helping their children continue their learning throughout the summer.
- The Readiness Leadership Team (RLT) met to discuss data from the 2015-16 school year's final assessment period. Legislative mandates required that all programs teaching Voluntary Pre-Kindergarten would use Teaching Strategies Gold (TSG) as their ongoing assessment during the 2015-16 school year. However due to non-funding of TSG for the 2016-17 school year, the Santa Rosa County District Schools Head Start and Early Head Start Programs will no longer use TSG and instead return to using Galileo for the upcoming school year. Galileo offers an assessment that provides the program with the information that is needed to document and report student progress. As part of the assessment change, the readiness goals will be revised and aligned with Galileo.

The data results for the 2015 – 2016 school year are as follows:

Learning Domains	Oct. 2015	May 2016
Approaches to Learning	20%	95%
Cognitive Development	14%	95%
Language and Literacy	18%	95%
Physical Development and Health	24%	93%
Social and Emotional Development	41%	89%

Environmental Health and Safety

- Safety continues to be our number one priority each and every school day. We continue to stress the importance of "Supervision of Students" at all times throughout the school day.
- We continue to be 100% in compliance with the monthly School-Site Safety Compliance and Reporting requirements. (This also includes our 6 Head Start classrooms located at other District School Sites).
- Our Monthly Fire Drill was conducted on Wednesday, May 4th.

Health and Nutrition

- The Santa Rosa County Extension Office completed this school years Nutrition Lessons for our 2, 3, and 4 year old Head Start and Early Head Start students. Our teachers completed an end of the year evaluation on our Nutrition Program and our partnership with the Florida Extension Office. The results of the survey were extremely positive. We are presently in the process of planning and scheduling Nutrition classes and workshops for our students, parents, and staff for this next school year.
- **Lunch and Breakfast Recap and Reconciliation Totals – May 2016**

May2016	Total # Free	Total # Paid	GRAND TOTAL
BREAKFAST	3584	153	3,737
