the Florida Association of District School Superintendents

**April 2016**

**MEMORANDUM**

**TO:** Superintendents  
Chief Negotiators

**FROM:** Bill Graham  
Executive Director

**RE:** 2016 - 2017 Membership

Please find attached your invoice for the 2016 - 2017 fiscal year. The dues for the FSLRS and FEN are combined and remain unchanged since they were increased in 2004-05. Thanks to your participation and support, both organizations are fiscally sound, and NO increase in dues is necessary again this year!

Our primary purpose is to share information, ideas and solutions to problems which we encounter every day in the field of labor relations. FSLRS and FEN will continue to provide services to superintendents, school board members and negotiators upon request. These services include conducting member requested surveys, researching issues for individual member districts, assisting in the selection of special magistrates and arbitrators, and assisting school districts in the implementation of new legislative initiatives.

Please allow me to take this opportunity to thank all of you for your active participation and support. Together, we continue to make significant progress for the benefit of students, school district employees and their families.

Please contact our office if you have any questions or need assistance.
