September 12, 2016

Mr. Weekes,

Jay High School will be celebrating homecoming on Friday October 21st. It is traditional to have a parade during the day before the ballgame. We would like to request that October 21st be considered a ½ day for JHS students. Our parade will begin at 1:00pm and allowing students to leave school and get safely home before the parade begins.

Thank you for your consideration,

Carlisle Griffin
Assistant Principal
Jay High School
