Mr. Tim Wyrosdick
Superintendent of Schools

RE: NAVARRE HIGH SCHOOL- SOFTBALL BATTING BUILDING - PHASE III APPROVAL

Dear Mr. Wyrosdick,

There is currently a need to construct a covered batting building for the softball field at Navarre High School (see attached drawing).

We have received quotes to construct this building for approximately \$40,000 for materials and installation.

We will use a qualified general contractor as a vendor to complete this project.

Please contact me if you have any further questions or concerns.

Sincerely,

Joseph Harrell
Assistant Superintendent for Administrative Services
