RE: HURRICANE SHUTTER GRANT FOR WEST NAVARRE PRIMARY SCHOOL

Dear Superintendent Wyrosdick,

The Florida Department of Emergency Management (FLDEM) is currently offering a grant to the school district in the amount of \$272,548.00 for the purpose of installing impact resistant hurricane shutters at West Navarre Primary School. I feel that this is a wonderful opportunity for the school district to reduce site vulnerability to windborne debris and add an increased level of protection to the contents found within the envelope of the building. Please note that the initial expense for the shutters will be funded from Part III of the district budget and reimbursements, not to exceed the amount listed above, will be made by the Florida Department of Emergency Management (FLDEM).

For the reasons listed above, I am seeking board approval to move forward and advertise a Request for Bid.

Please feel free to contact me if you have any further questions or concerns.

Sincerely,

Joseph B. Harrell
Assistant Superintendent for Administrative Services
