## Santa Rosa County District Grant Synopsis

Submitted by: Jeffery Baugus, Coordinator of Math & Science

Name of Grant, Contract or Memorandum of Agreement:

FLDOE Computer Science Certification Grant

Continuation Grant       Update Grant       New Grant

The purpose of the Computer Science Certification Grant is to provide funding for training for secondary teachers to obtain a K-12 Computer Science certification. Participating teachers will receive a stipend and will receive intensive computer science PD and study aids over the following months in preparation for taking the certification exam. The grant also provides funding for computer science PD in general. Teachers will be able to receive Code.org or College Board Training to support computer science instruction across the district.

Funds requested for this grant: \$87,178.25

The amount of the grant last year: \$0
