Mrs. Pattullo,  
Please place the following item on the April 23<sup>rd</sup> agenda under Superintendent items.

Commensurate with the average raise distributed to employees on the instructional salary schedule and the Educational Support Salary schedule, I am requesting a 3.5% raise for SY 1<sup>9</sup>/20 for administrators. I recommend this raise be effective July 1, 2019.

Respectfully, Tim

The average for instructional salary increases was 3.5% as documented on page 3 of the tentative agreement with SRPE which can be referenced at this link

ESP had an average of 3.5% as well (2.5% level movement and 1% improvement to every level) which can be referenced at this link <https://sites.santarosa.k12.fl.us/contracts/srea/sreaTentativeAgreementDAGBVsigned091719.pdf>
