## Santa Rosa County District Grant Synopsis

Submitted by: Dr. Karen R. Barber, Director of Federal Programs

### Governor's Emergency Relief (GEER) Fund under the Coronavirus Act, Relief, and Economic Security (CARES) Act: GEER Summer Recovery Toolkit

   Continuation Grant    Update Grant   X   New Grant

Santa Rosa School district will receive \$352,558.00 in CARES Act funding to conduct 80 hours of face-to-face intervention for students identified as below proficiency in reading (July 6-27). The district will assure that students with evidence of the most significant academic need are given priority to summer recovery and support. The district must use the following indicators to identify students: Students who have been disconnected or hard to reach via distance learning. K-3 students in the 2019-20 school year with a substantial deficiency in reading who may be at risk for retention, prioritizing grade 3 students. Grade 4 or 5 students who scored a level 1 or 2 on the most recent FSA and are served in a L300 or D or F school. The district will provide initial and ongoing training to summer staff, including but not limited to administrators, coaches and teachers. The training will include a focus on: Summer Recovery expectations, evidence-based practices, the use of assessment/progress monitoring to inform instruction, and establishing a positive, reading-rich environment. The district will provide transportation and meals to participants. The district will develop and implement a communications plan to provide relevant information for summer learning administrators and staff and for ongoing communication with families to help reinforce students' reading skills at home. The district will support teachers with monitoring progress and adjusting instruction based on data, as well as conduct pre/post assessments to measure impact of summer learning using the existing progress monitoring tools as outlined in the district's K-12 Evidence-based Reading Plan. The district will report pre/post assessment data to the FLDOE within 30 days.

Funds requested for this grant:           \$352,558.00          

The amount of the grant last year:           \$0          

### Category of Funds:

  X   Federal\*    State    Local    Refer to Project Details

\*Federal through the state.
