Subject: Request a change in start time for JHS

I met with Mrs. Short from JES and Mrs. Weber from transportation. We were discussing the best way to make social distancing, traffic, and general safety for our student possible during the morning and afternoon student pick-up and drop-off. We all agreed that if JHS was allowed to move our start time (and subsequent class times) later by 5 minutes we could feasibly improve our safety during these times each day.

I am requesting that JHS start 5 minutes later and move our entire schedule back by the same time.

Thank you for this consideration. Have a great weekend.
