Coastal Connections Academy Charter Application

This is the virtual charter school application for Coastal Connections Academy. This virtual charter school is seeking board approval so they can start serving students across Florida in August 2021.

A district team evaluates the application to ensure charter school standards are met. Coastal Connections Academy has responded to all questions from this team. With most standards being met in the original application and with satisfactory answers to our questions being provided through face-to-face interviews with Coastal Connection Academy leadership, our district team recommends approval of this virtual charter school.

I have included: for your review:

- Coastal Connection Academy application
- Application review timeline
- Application review team assignments
