

# Southern Pine Inspection Bureau's Lumber donation program

SPIB has donated lumber for several years.

Organizations have included:

- Blackwater Forestry Center
- Florida Wildlife Conservation

In 2013 SPIB expanded the lumber donation to include local organizations:

- Pace High School Band Boosters
- Pace High School Baseball Boosters
- Navarre High School Construction Academy
- Locklin Vocational Tech

This program became very successful and now has expanded to Escambia County High Schools and Okaloosa County High Schools.

- Pine Forest High Construction Academy
- Pensacola State College Construction Course
- Jay High School Construction Academy
- Rutherford High School Construction Academy
- Arnold High School Construction Academy

Since 2013 SPIB has donated to Santa Rosa County Schools over 62,000 board feet of lumber, with a donation value of over \$32,000.

Here is a preview of projects made from the donated lumber from the Construction Academies
