

## CHAPTER 3.00 – SCHOOL ADMINISTRATION

### USE OF DEFIBRILLATORS

3.24+

- I. The School Board authorizes the use of defibrillators in a perceived medical emergency and as authorized by the provisions of 401.2915, F.S.
- II. All persons who are reasonably expected to use an AED shall be trained to use the device. Employees or volunteers expected to use an AED must complete a course in cardiopulmonary resuscitation (CPR) or a basic first aid course which includes CPR and demonstrated proficiency in the use of a defibrillator.
- III. Exceptions to the training requirement are contained in 768.1325(3)(c), F.S.
- IV. Each school that is a member of the Florida High School Athletic Association shall have an operational AED on school grounds. The device shall be available in a clearly marked and publicized location for all athletic activities, including those held outside of the school year. The location of the device shall be registered with the local emergency medical services director. All persons reasonably expected to use the device shall be notified annually in writing of the location of each AED on school grounds.
- V. The District shall develop procedures to govern the implementation of this policy. The procedures shall be reviewed and approved by the local medical emergency services medical director.
