WHEREAS, the Educational Institution desires to establish a program at Facility to provide a clinical learning experience (“Learning Experience”) for its students;

WHEREAS, Facility is willing to cooperate with Educational Institution to establish a program for Educational Institution’s students;

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises contained herein, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

The Educational Institution and Facility mutually agree:

1. To establish the educational objectives for the Learning Experience, advise methods for implementation, and evaluate the effectiveness of the Learning Experience.
2. Not to discriminate on the basis of race, color, creed, age, national origin, or sex, nor will either party discriminate because of handicap under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act.
3. Prior to beginning the Learning Experience at the Facility, the Educational Institution shall provide participating students with training regarding confidentiality and privacy of protected health information under the Health Insurance Portability and Accountability Act, and all regulations issued thereunder (collectively, “HIPAA”), and Facility shall inform students of Facility’s HIPAA policies upon student’s arrival at Facility. Additionally, the parties agree to enter into a Business Associate Agreement, incorporated herein by reference coincident with execution of this Agreement.
4. Both Facility and the Educational Institution agree to abide by all applicable laws and regulations in carrying out their respective obligations under this Agreement. 2. To establish and maintain ongoing communication with Facility on items pertinent to Learning Experience, (such communication may include but not limited to, a description of the curriculum, relevant course outlines, policies, faculty, and major changes in this information) and to provide on-site faculty supervision as deemed necessary by Facility. Such faculty members shall be subject to all provisions of this Agreement that pertain to students. Further, any assigned faculty member shall not be deemed to be an employee of the Facility, nor shall the Facility be liable for the payment of any salary or compensation of any kind to the faculty member in conjunction with Learning Experience or services provided to Facility hereunder; nor will such faculty member be treated as an employee the Facility for purposes of worker's compensation insurance, employment taxes or unemployment compensation benefits, or any other purpose. Educational Institution agrees to obtain written acknowledgement and agreement from any assigned faculty member of the terms of this Section.
3. To notify Facility of the planned student assignment, level of academic preparation, and length and dates of Learning Experience. In furtherance of the foregoing, the Learning Experience and student assignments shall be planned by the Educational Institution in consultation with representatives designated by Facility and shall be subject to final approval by both parties before the commencement of any such assignment.
