Re: Funds Request for the Positive Behavioral Intervention & Support

I would like to respectfully request \$25,000 for expenditures related to the PBIS Program for the 2021-2022 School Year. The allocated funds will be used to provide training to all MTSS Tier I Teams, training for Tier II Behavior MTSS Teams, PBIS Model School Rewards, reinforcements for Tier III Behavior Focus Classrooms and stipends for PBIS quarterly coaches' meetings.

Additional funds are not provided to the district Exceptional Student Education (ESE) Department for activities for non-disabled students or trainings for teachers who do not teach ESE eligible students. Consequently, activities and professional development cannot be planned to provide specially designed instruction for these students.

If you have any questions, please don't hesitate to contact me at the above number or via email.

Sincerely:

Debbie S. Anderson
