Jay Elementary School will be celebrating homecoming on October 29, 2021 in conjunction with Jay High School upon School Board approval. We would like to request October 29th be considered an early release day for JES students and staff. We respectfully request permission to dismiss students at 11:30 a.m. to be transported home safely prior to the homecoming festivities.

Thank you for your consideration.

Sincerely,

Mrs. Mary Grace White
Principal
