

July 12, 2021

Dr. Karen Barber  
Superintendent  
Santa Rosa County School District  
6032 Hwy 90  
Milton, FL 32570

Dear Dr. Barber:

Each year the state sets tuition and fees for our Workforce Education programs. Locklin Technical College strives to keep fees as low as possible for our students. The 2021 FLDOE General Appropriations Act did not include any changes to the standard tuition and fee rate. Taking this into account, our School Advisory Council is recommending no changes in the standard tuition and fee rate for the 2021/22 school year.

The State of Florida under the Workforce Development Tuition and Fee Statute, section (s) 1009.22(3), set the total per contact hour for the standard fee rate at \$2.33 for in state tuition. Each district school board may adopt a tuition rate within the range of 5% above or below the standard tuition. Out of state fees are set at the board approved clock hour tuition rate with an additional out of state fee. The statute allows us to collect fees up to 10 percent of tuition to provide financial aid to students, up to 5 percent for technology enhancement as well as up to 5 percent for capital improvement. These additional fees are included in the schedule below.

We are requesting no change in tuition and fees for the 2021-22 school year for career certificate programs or academic remediation courses. The total per contact hour for Florida residents is currently set at \$2.40 per contact hour plus \$.48 (10% financial assistance + 5% technology fee + 5% capital improvement). Tuition for nonresidents is set at the standard tuition rate plus the required out of state fee for a total of \$9.39 per contact hour plus \$1.85 (10% financial assistance + 5% technology fee + 5% capital improvement). State mandated fees for academic remediation courses to improve basic skills, such as Applied Academics for Adult Students, will be set at \$30 per term.

**Locklin Technical College**  
**2021-2022 Tuition and Fee Schedule**

Tuition/Tuition plus fees per contact hour:

<b><u>Program Classification</u></b>	<b><u>Florida Resident</u></b>	<b><u>Non-Resident</u></b>
Job Preparatory Tuition	\$2.40/\$2.88	\$9.39 /11.24
Continuing Education	\$5.78	\$23.10

Based on the above hourly rate, job preparatory tuition and fees per semester (450 hrs.) will be:

	<b><u>Florida Resident</u></b>	<b><u>Non-Resident</u></b>
All Day (450 hours)	\$1,296.00	\$5,058.00
Half Day (225 hours)	\$ 648.00	\$2,529.00

No application fee will be charged to the student to apply to the College. A one-time, non-refundable program registration fee of \$35 will be charged each time a student registers for a program of study. All postsecondary students are required to demonstrate Post-Secondary Readiness (PSR). Students not demonstrating PSR upon enrollment must take an approved assessment as outlined in State Board Rule 6A-10.040(8) and will be charged a \$20 fee to cover testing costs and may be required to enroll in applied academics for remediation at a cost of \$30 per semester.

In addition to the above Tuition and Fee Schedule, students enrolled in some programs will be charged a lab fee which varies by program/course to cover consumable materials used during their training program. Students are also required to purchase textbooks including online curriculum, basic materials required for their training program (uniforms, work boots, tools, etc.). Students who drive to campus are also required to purchase a \$10 parking decal each academic year. Tuition, fees and program costs are outlined in the Annual Cost of Attendance by program of study.

Additional user fees vary by program and are only charged to persons receiving the service. A convenience fee up to 3.0 % for payment of tuition and fees via credit or bank debit card will also be charged based on current vendor fee assessments.

#### Statutory References for Fees:

##### **Tuition Statutes**

The following are the current statutory references related to Workforce Fees.

- s. 1009.21, F.S., Determination of resident status for tuition purposes
- s. 1009.22, F.S., Workforce education postsecondary student fees
- s. 1009.25, F.S., Fee exemptions
- s. 1009.26, F.S., Fee waivers
- s. 1009.27, F.S., Deferral of fees
- s. 1011.80(10), F.S., Funds for operation of workforce education programs
- s. 112.1912, F.S., Fee Waivers for Survivors of First Responders and Military Members

The fees suggested herein are in accordance with the policies set forth by the Florida Department of Education. Locklin Technical College's 2021-22 Tuition and Fee Schedule is hereby respectfully submitted for School Board approval.

Sincerely,

Maria LaDouceur  
Principal  
Locklin Technical College
