

UF LITERACY MATRIX: AN ONLINE PD ROUTE TO READING ENDORSEMENT

Congratulations! A number of educators in your district will have the opportunity to complete the Flamingo Literacy Matrix for Reading Endorsement; an online professional development system created by the University of Florida's College of Education. The Literacy Matrix is designed to build on what you already know and increase knowledge and skills in key areas of reading to improve literacy outcomes for your students.

The Florida Department of Education will sponsor participation in this initiative for a select number of educators in your district, so it will be free to you if you are provided a spot in the Literacy Matrix! Depending on the competencies you need for Reading Endorsement, you will be placed in a Learning Goal to complete the entire Literacy Matrix or particular competencies:

- Learning Goal 1: Big Picture + Competencies 1-5
- Learning Goal 2: Big Picture + Competencies 2-5
- Learning Goal 3: Big Picture + Competencies 3-5
- Learning Goal 4: Big Picture + Competencies 4-5
- Learning Goal 5: Big Picture + Competency 5
- A unique Learning Goal can also be developed for you if you need individual competencies.
