RE: Suicide Prevention Protocol for School-Based Threat Assessment Teams—updated for the
2021-22 School Year

Dear School Board Members and Superintendent Barber,

Please find the attached Suicide Prevention Protocol. This protocol is in compliance with requirements as indicated in HB945 and SB950 and is used by school-based Threat Assessment Teams to assess and respond effectively to threats of self harm by students as well as provide follow up support for students needing this intervention.

Thank you in advance for your attention and consideration in approving this protocol.

Sincerely,

A handwritten signature in blue ink that reads "Autumn Wright". The signature is written in a cursive, flowing style.
