RE: School Calendars for the SY 2022-23 & 2023-24
November 16, 2021 Board Meeting

Please find attached the proposed calendars for the 2022-23 and 2023-24 School Years. The calendar committee was comprised of teachers, school-based administrators, district level administrators, parents, and non-instructional employees. This committee developed these calendars for your approval. Also included for your review is a copy of the survey results sent to district employees.

1. The earliest start date mandated by the state is August 10th for 2022-23 and the same date will be used for 2023-24.
2. By starting on August 10th for both SY 22-23 and SY 23-24, this will allow for first semester to end at Christmas Break and second semester to start upon the immediate return from the Christmas Break.
3. Fall Break will occur during Thanksgiving Week for both SY 22-23 and SY 23-24 as a preference indicated on the survey.
4. SY 22-23 will have an additional pre-planning day for teachers. The additional teacher pre-planning day was added due to survey results strongly favoring students last day to end prior to Memorial Day. (see Survey Questions 6 & 7)
