RE: 2013-2014 School Choice Plan

We are beginning the process of reviewing the School Choice Plan for the 2013-2014 school year.

In doing so, I would like to request that a school board member volunteer to serve on a committee that will review the current plan and also review proposed or needed changes for the 2013-2014 plan.

The meeting dates and times have yet to be determined, however, this information will be forthcoming upon the development of the meeting schedule.
