

July 13, 2022

Dr. Karen Barber Superintendent Santa Rosa County School District 6032 Hwy 90 Milton, FL 32570

Dear Dr. Barber:

Each year the state sets tuition and fees for our Workforce Education programs. Locklin Technical College strives to keep fees as low as possible for our students. Based on the 2022 FLDOE General Appropriations Act used for determination of standard tuition and fee rates for career certificate training programs and adult education, our School Advisory Council is recommending no changes to the standard tuition and fee rate for the 2022/23 school year.

The State of Florida under the Workforce Development Tuition and Fee Statute, section (s) 1009.22(3), set the total per contact hour for the standard fee rate at \$2.33 for in state tuition. Each district school board may adopt a tuition rate within the range of 5% above or below the standard tuition. Out of state fees are set at the board approved clock hour tuition rate with an additional out of state fee. The statute allows us to collect fees up to 10% of tuition to provide financial aid to students, up to 5% for technology enhancement as well as up to 5% for capital improvement. These additional fees are included in the schedule below.

We are requesting no change in tuition and fees for the 2022-23 school year for career certificate programs or academic remediation courses. The total per contact hour for Florida residents is currently set at \$2.40 per contact hour plus \$.48 (10% financial assistance + 5% technology fee + 5% capital improvement). Tuition for nonresidents is set at the standard tuition rate plus the required out of state fee for a total of \$9.39 per contact hour plus \$1.85 (10% financial assistance + 5% technology fee + 5% capital improvement). State mandated fees for academic remediation courses to improve basic skills, such as Applied Academics for Adult Students, will be set at \$30 per term.

Locklin Technical College 2022-2023 Tuition and Fee Schedule

Tuition/Tuition plus fees per contact hour:

Program Classification	Florida Resident Tuition/plus Fees	Non-Resident Tuition/plus Fees
Job Preparatory Tuition	\$2.40/\$2.88	\$9.39 /11.24
Continuing Education	\$5.78	\$23.10

Based on the above hourly rate, career certificate program tuition and fees per semester (450 hrs.) will be:

	Florida Resident	Non-Resident		
All Day (450 hours)	\$1,296.00	\$5,058.00		
Half Day (225 hours)	\$ 648.00	\$2,529.00		

No application fee will be charged to the student to apply to the College. A one-time, non-refundable program registration fee of \$35 will be charged each time a student registers for a program of study. All postsecondary students are required to demonstrate Post-Secondary Readiness (PSR). Students not demonstrating PSR upon enrollment must take an approved assessment as outlined in State Board Rule 6A-10.040(8) and will be charged a \$20 fee to cover testing costs and may be required to enroll in applied academics for remediation at a cost of \$30 per semester.

In addition to the above Tuition and Fee Schedule, students enrolled in some programs will be charged a lab fee which varies by program/course to cover consumable materials used during their training program. Students are also required to pay for industry certification or licensure test fees, purchase textbooks including online curriculum and basic materials required for their training program (uniforms, work boots, tools, etc.). Students who drive to campus are also required to purchase a \$10 parking pass each academic year. Tuition, fees, and program costs are outlined in the *Annual Cost of Attendance* by program of study.

Statutory References for Fees:

Tuition Statutes

The following are the current statutory references related to Workforce Fees.

- s. 1009.21, F.S., Determination of resident status for tuition purposes
- s. 1009.22, F.S., Workforce education postsecondary student fees
- s. 1009.25, F.S., Fee exemptions
- s. 1009.26, F.S., Fee waivers
