RE: Updated Suicide Prevention Protocol for the 2022-23 School Year

Please find the attached Suicide Prevention Protocol with minimal changes (highlighted in yellow and logo change). This protocol includes the state recommended suicide risk assessment and is used by school-based threat assessment teams to assess and respond effectively to threats of harm to self by students.

Thank you in advance for your attention and consideration in approving this updated protocol.

Sincerely,

A handwritten signature in blue ink that reads "Autumn Wright". The signature is fluid and cursive, with the first name "Autumn" being more prominent.
