To Whom it May Concern:

Jay Elementary School will be celebrating homecoming on September 30, 2022, in conjunction with Jay High School upon School Board approval. We would like to request September 30th be considered an early release day for JES students and staff. We respectfully request permission to dismiss students at 11:55 a.m. to be transported home safely prior to the homecoming festivities.

Thank you for your consideration.

Sincerely,

Mary Grace White
