All School Board employees shall faithfully and accurately maintain records and file reports as may be required by Florida Statutes, State Board of Education rules, and School Board rules, or as the Superintendent may deem necessary for the effective administration of the District school system. Such records and reports shall include:

- A. any determination to withhold from a parent information regarding the provision of any services to support mental, physical, or emotional well-being of the parent's minor child. Any such determination must be based solely on child-specific information personally known to the school personnel and documented and approved by the school principal or designee. The determination must be annually reviewed and re-determined.
- B. student attendance, property inventory, personnel, school funds, and other types of information.

Reports shall be submitted on forms prescribed for such purposes at designated intervals or on specified dates. All such reports shall be filed by the designated time.
