

School Internet Safety Compliance Form 2013-14 School Year
Santa Rosa County School Board

63-11-35
Rev. Mar 13

I, (please print name) _____, understand that I am obligated to ensure that students at my school have received education about Internet safety, including but not limited to “cyberbullying awareness and response and interacting with other individuals on social networking sites and in chat rooms.”* By signing below, I affirm that the teachers listed below have delivered instruction on cyberbullying awareness, personal online safety, and social networking to all students at my school

* From FCC guidelines on Children’s Internet Protection Act (CIPA) requirements.

Administrative Signature

Date

School/Site

The following **Instructional Personnel** have delivered appropriate Internet safety education to students in our school to comply with federal CIPA requirements.

[Administrators: please enter the names of all faculty members who taught Internet safety to students. You may instead attach the names in another format on a separate page to this document.]

Send signed original to the Director of Inservice and Instructional Technology. Keep signed copy for your records.
