Subject: Learning Academy of Santa Rosa Charter Renewal

Dear Superintendent Wyrosdick,

The Learning Academy of Santa Rosa charter school contract expires on June 30, 2014. I respectfully request an extension of the charter contract with a term of ten years.

For the past thirteen years the Learning academy has served as an alternative school in the school district. We believe that the school has been a valuable addition to the district.

The extended charter contract will permit us to invest in improving our facilities and make long term commitments to our staff. Thank you for considering this request.

Sincerely,

Bill Rader, Ph.D.
