RE: *Student Code of Conduct, 2012- 2013*

I have attached a copy of a proposed final draft copy of the Student Code of Conduct that will be posted for public view as well as a summary of the proposed changes. The summary of proposed changes contains highlighted items that represent changes proposed as a result of new legislation and suggestions that occurred since the initial draft was presented to you on April 25, 2013. As you review the draft, if you have any questions, please contact Conni Carnley at 983-5060.

Your support is always appreciated in both the preparation of this document and in the enforcement of the policies established to enable us to serve our students as effectively as possible.
