Jeremy Lowery  
Andrews Research and Education Institute  
1020 Gulf Breeze Parkway, Suite 200  
Gulf Breeze, FL 32561

Dear Mr. Lowery:

The **Santa Rosa County School Board** supports the Andrews Research and Education Institute (APREI) and Sports Medicine Outreach in their application for a Pensacola Bay Area IMPACT 100 Grant. If the grant is awarded, we are committed to additional support in providing student athletes in Santa Rosa County with base line concussion and post injury testing. This testing and registry is greatly needed and benefits our community as a whole.

We have had previous discussions and made verbal commitments to the long term sustainability of this program. We are delighted to participate with Andrews Research and Education and Sports Medicine Outreach and look forward to the day that we can support the proposed project.

Sincerely,

Santa Rosa County School Board
