Re: Capstone – Name Change

Date: January 6, 2015

Attached please find a letter to Mr. Wyrosdick concerning the name change for Capstone, d/b/a United Cerebral Palsy of Northwest Florida, Inc. to Capstone Adaptive Learning & Therapy Centers, Inc. The letter is dated August 6, 2014; however, the new contract, which is also attached, was just received this date.

It is my recommendation that the board approve the name change.
