Students should maintain the instrument as instructed (i.e. lubrication of valves and slides). MEMO: Important Information to all Parents
RE: All Beginning and Advanced Band Members
FROM: Stacy Rohde, Band Director at WBMS

Several local music stores and area school band directors are now experiencing the negative results created by the marketing of band instruments that are of poor quality but attractive to consumers because of their rather low price. These instruments are predominantly manufactured in China, India, Indonesia and other third world countries. These instruments are showing up on the Internet auction sites, wholesale clubs, and discount department stores.

The problem is twofold, first, repair facilities have no parts and cannot even begin to find the manufacturer to obtain parts; and second, the materials and craftsmanship do not respond to adjustments for any length of time. Considering these facts, many music stores are adopting the policy that they **WILL NOT SELL, TRADE, or REPAIR SUCH INSTRUMENTS**. Please consider the consequences of purchasing poorly made, low-priced instruments.

The following are some of the brands to caution parents about:

First Act	Simba	Windsor
Cadet	Accent	Parrot
Rhythm	Stuebin	Pathfinder
Image	Iolite	Steubar
Winston	Heimer	Skylark
Rhyme	Bestler	Bandfolio
Wexler	Lark	Maestro
Concert Works	Belcrest	
Tempo	Dixon	
Concer Mark II	LaFayette	
Artist	Burlington	
Belmonte	Palentino	
Opus		

This is a difficult situation because quality may not be apparent, and it seems most expedient to notify parents of this situation. Such situations usually lead to frustration and are not conducive to success in band. Area music stores and school band directors alike, welcome any opportunity to work together to avoid such failures that will protect the integrity of instrumental music programs in Northwest Florida.

Course: 6th grade – Computer Essentials

- Computer Lab Fee - \$5.00
- Folder w/ brads
- Loose-leaf notebook paper (as needed)
- Pencils (as needed)

Course: 7th grade – Photoshop

- Computer Lab Fee - \$10.00
- Flash Drive – 1G or higher

Course: 8th grade – Digital Information Technology

- Computer Lab Fee - \$5.00

Lab fees cover the expense of such things as printer ink, photo paper, batteries for cameras, matte board, and cost of repairs or replacement needed for tech equipment in the classes above.

The Photoshop class asks that students save work on a flash drive to ensure student work is safely preserved and not accessible to the general class population. Flash drives remain in the classroom throughout the year and do not go home daily nor are they used for any other class. This practice keeps drives safely stored, ensures students always have their work, and prevents any virus being uploaded to the network lab.
