Flood Insurance American Bankers - \$15,769.00

Jackson Pre-K Center is located in a flood zone. The district is required to participate in the National Flood Insurance Program to be eligible to receive FEMA funds. There are 14 buildings insured with each building insured in a separate policy. See attached flood policy spreadsheet with three year pricing. The large increase in 2015/2016 was due to changes in FEMA related fees. The price increase this year was 6% over the 2016/2017

Our flood insurance coverage is with American Bankers Insurance Company

Storage Tank Insurance
Liberty International Underwriters (LIU) - \$16,840.00

We have thirteen storage tanks located at nine different sites throughout the district. Nine tanks are above ground tanks and four are underground tanks. Insurance coverage is required for all underground tanks, regardless of capacity. Above ground tanks, including generators, with more than a 550 gallon capacity, must also be covered. We currently do not have our final renewal figure. However, based on prior year increases, we are estimating an increase of \$1,000.00 for this fiscal year.

Our current storage tank coverage is with LIU Environmental.

Please let me know if I can answer any questions

Sincerely,

Pam Smith Risk Manager Pam Smith
