Carl D. Perkins Secondary 2012-2013

Continuation Grant Update Grant New Grant

What the grant will accomplish and the target groups to be served:

District Schools will continue to strive to provide secondary students with the latest technical program hardware, software, and curriculum available. One of our goals is to increase the number of students entering Technical programs and to increase the number of students reaching an Occupational Completion Point (OCP) and earning an Industry Certification in their program of interest. Funding will be used to provide equipment, software, instructor training, and technical support and will enable students to be trained on the latest equipment and software comparable to industry standards. Funds will be used to purchase computer hardware to establish the first Middle School Cape Academies in SRCSD. Funds will also be used to fund teacher assistant to serve and support Exceptional Student Education students.
