L. Financial Recommendations – Susan McCole, Assistant Superintendent for Finance

None

M. Items from Board Members

Mrs. Boston expressed appreciation to Susan McCole and Finance staff for their hard work on the budget.

Mrs. Boston also asked a question regarding Board member salary increases. She was asked this question during the past week and was unsure of the answer. Mr. Peden responded that while Board members

may have the opportunity for an increase each year, the Board typically votes not to accept the increase.

N. Items from Board Attorney

Mr. Paul Green provided an update on the sale of the Gulf Breeze property (409 Gulf Breeze Parkway). The Superintendent has the authority to grant an additional thirty days (which he did) in order for the buyer to look into relocating easements across the property. One of the easements is to Gulf Power and another to the City of Gulf Breeze; it appears there will be cooperation in adjusting the easements.

O. Items from Superintendent

1. House Bill 7069 Litigation

Superintendent Wyrosdick noted that there are school boards across the state who have entered into litigation regarding HB 7069; he has asked School Board Attorney Paul Green to research and bring information back to the Board. Mr. Wyrosdick pointed out that he is not asking for a decision - just wanted to make the Board aware.

Mr. Green shared that he believes Broward is leading to see whether it might be feasible to bring to litigation to determine the validity of this wide reaching statute that was enacted in a very unusual way and significantly affects school districts throughout the state. It looks like there may be five potential legal theories it could be challenged on; outside counsel for Broward is being consulted now. If Broward determines that is the direction they would like to go, they may solicit other districts' participation based on FTE. Mr. Green may bring something back to the Board as this develops.

P. Adjournment

*Motion to Approve was moved by Carol Boston, Seconded by Clifton Hinote. Motion Passed by a Vote of 5 - 0.
There being no further business the meeting was adjourned.*

DONE AND ORDERED IN LEGAL SESSION by the School Board of Santa Rosa County this 20th day of July, 2017 A.D.
