TENTATIVE BUDGET FY 2012-2013
BUDGET INFORMATION

- This is a “**Tentative**” budget and will change a great deal during the year. The process is that the **tentative budget** is approved for advertising on July 24, 2012. The “first” public hearing on the budget is August 2, 2012. The “final” public hearing is on September 17, 2012. The date process is set up for agencies that have an October 1 - September 30 fiscal year. The school board fiscal year is July 1 - June 30 so we are well into our year before the budget process is complete. The timeframes for the budget are set by Florida Statute.
- Starting in Fiscal Year 2011/2012 the State required District employees to contribute 3% of their salary to the Florida Retirement System. The District is also required by the State to contribute a pre-determined percent to the Florida Retirement System on behalf of each eligible District employee. This percent can vary each year and is determined by the State not the District. The funds that are withheld from the District employee’s checks and the amount the District is required to contribute are wired to the Florida Retirement System.
